Your Non-emergency Medical Transportation Is Now Available Only Through LogistiCare

As of September 1, 2012, you will need to call LogistiCare for all non-emergency medical transportation (rides) to covered appointments if you have no other way to get a ride. Non-emergency rides are rides to a covered service by common carrier, such as public transportation or specialized medical vehicles.

As of August 17, 2012, you must call LogistiCare to schedule rides to appointments on and after September 1, 2012. You will no longer be able to schedule rides through your current transportation provider.

This change in transportation services does NOT affect your eligibility, enrollment, or benefits for Wisconsin Medicaid or BadgerCare Plus.

This does not affect emergency ambulance services. You should call 911 if you have an emergency.

If you have no other way to get a ride, members can get a ride through LogistiCare to services covered by the program you are enrolled in such as Wisconsin Medicaid or BadgerCare Plus. If neighbors, friends, relatives, or voluntary

organizations can give you a ride to your appointment, you are not eligible for a ride through LogistiCare.

Call LogistiCare at 1-866-907-1493 (or TTY 1-866-288-3133). LogistiCare is open between 7:00 a.m. and 6:00 p.m. Monday through Friday.

You will need to call at least two days before a routine appointment to schedule a ride. If you do not call two days before an appointment, you may have to reschedule your appointment.

If you have an urgent appointment and cannot wait two days to go to an appointment, a ride may be scheduled within three hours.

If you have regularly scheduled appointments three or more times a week, talk with your doctor. Your doctor can work with LogistiCare to schedule your regularly reoccurring rides.

What Information Do I Need to Have When I Call for a Ride?

You should have the following information when you call LogistiCare to request a ride:

- Your name, street address, and telephone number.

At the end of the call, LogistiCare will give you a confirmation number for your ride and tell you when your ride will pick you up.

The Attachment of this *Update* has the telephone numbers for LogistiCare.

What Do I Need to Know About My Ride to My Appointment?

On the day of your appointment, you should be ready for your ride at the time LogistiCare told you the ride was coming. If you are more than 10 minutes late, you may miss your ride. If you have been waiting for your ride for more than 15 minutes, you should call LogistiCare's "Where's My Ride" number at 1-866-907-1494 to ask about your ride. You should also call your doctor to let them know you are running late.

You will be asked by the driver to sign a driver log for the trip. Do not sign the driver log for the trip home at this time.

What Do I Need to Know About My Ride from My Appointment?

After your appointment, your ride should arrive within 15 minutes. If you are not sure when your appointment will be

over, you can call LogistiCare after the appointment is over, and a ride will come to pick you up within one hour.

If you have been waiting for longer than one hour, you should call LogistiCare's "Where's My Ride" number at 1-866-907-1494 to ask about your ride.

You will be asked by the driver to sign a driver log for your trip home.

Do I Have a Copayment for Rides?

If your ride is by specialized medical vehicle, you will have a \$1.00 copayment, unless you are exempt from copayments. You should not pay for anything else for the ride, such as a tip or gas money.

What If Someone Else Needs to Come Along?

No one besides a medically required attendant or a parent accompanying a minor child is allowed to go along on the ride to an appointment. You can also decide to take your own car and request gas money and then you may take an additional passenger. You may also request a bus pass from LogistiCare and the additional rider may purchase a bus pass and ride along.

Do I Need a Car Seat for My Child?

Parents or guardians are responsible for providing any car seats or booster seats for the ride. Car seats are required for any children under the age of 4 or for any children less than 40 pounds in weight. Booster seats are required for children who are under 8 years old, less than 80 pounds, or under 4 feet 9 inches tall. LogistiCare will not provide any car seats or booster seats. If you do not have a car seat or booster seat at the time of your ride for any children who need them, LogistiCare will deny your ride.

Can I, or My Relative, Get Paid to Drive to an Appointment?

In the past, members may have been paid for driving themselves to a covered medical appointment. In other

cases, friends or family may have been paid for giving rides to members going to a covered medical appointment.

On July 1, 2011, the Department of Health Services has required LogistiCare to follow federal and state law and only pay members for rides after all other options for free transportation such as family and friends have been exhausted.

If members drive themselves or makes arrangements through LogistiCare to be driven by a friend, neighbor, or even by a staff member of the medical facility, neither the driver nor the vehicle is required to meet LogistiCare compliance standards.

When Can I Get Payment for My Meals and Overnight Stays?

Wisconsin Medicaid and BadgerCare Plus have rules for when members can get payment for meals and overnight stays when you travel by non-emergency medical transportation to covered appointments:

- You may be paid for one meal if you are going to a covered service and have to be away from home for at least four hours and are traveling at least 100 miles one-way.
- You may be paid for two meals if you are going to a covered service and have to be away from home for at least eight hours and are traveling at least 100 miles one-way.
- You may be paid for two meals and one overnight stay if you are going to a covered service and have to be away from home for at least eight hours and are traveling at least 200 miles one-way.

You should talk with LogistiCare about what meals and overnight stays you can get paid for if you are going to a covered appointment and need to be away from home for more than one night.

Medically required attendants may be allowed the same meal and overnight stay payment as you are. An attendant could be someone in your family.

How Do I Ask for Payment from LogistiCare for Meals and Overnight Stays?

Call LogistiCare at 1-866-907-1493 (or TTY 1-866-288-3133) to schedule a ride. While you are scheduling your ride, ask if you meet the rules for payment of your meals or overnight stays.

LogistiCare will pay you up to \$10.00 per meal if you meet the payment rule. You need to keep receipts for all your meals and mail them to LogistiCare with a form. Then, LogistiCare will send you a check for the amount you spent on your meal or up to \$10.00 per meal, whichever is less. LogistiCare will arrange any overnight stays that may be necessary. LogistiCare will not pay for any alcohol or recreational activities.

If you are unable to pay for your overnight stay at the time of your appointment, LogistiCare will arrange and pay for it for you. If you are unable to pay for your meals at the time of your appointment, LogistiCare will pre-pay for your meal at locations where this is possible, such as a hospital cafeteria.
