Your ACCESS AutoPay for MAPP Premiums Ended

You (or someone in your household) get health care benefits through the Medicaid Purchase Plan (MAPP). Some people have to pay premiums to stay enrolled in MAPP.

You had set up ACCESS AutoPay to pay premiums for MAPP. That AutoPay has ended. As of September 5, 2025, you are no longer making automatic premium payments from your credit card ending in 9990.

Your AutoPay ended because you are no longer eligible for MAPP benefits.

If you think this change was made in error, you can log in to your ACCESS account to review recent changes or reenroll in ACCESS AutoPay.
