How to Set Up Electronic Funds Transfer

You (and/or someone in your household) applied for health care benefits through a program called the Medicaid Purchase Plan (MAPP). To get MAPP benefits, you must pay a monthly fee called a premium.

One of the ways you can pay your premiums is by signing up for electronic funds transfer (EFT). An EFT is an automatic transfer of money from your bank account to pay your premium each month.

To sign up for EFT, complete the attached form and mail it to:

Medicaid Purchase Plan
PO Box 6738
Madison, WI 53716-0738

If EFT isn't the right option for you, there are other ways you can pay your MAPP premium.

- On the ACCESS website at access.wi.gov or through the MyACCESS mobile app, you can:
 - Make an online premium payment each month, or
 - Set up ACCESS AutoPay for automatic payments from your credit card, debit card, or checking or savings account.
- You can have your employer withhold money from your paycheck. To set up wage withholding, ask your employer to fill out the Medicaid Purchase Plan Premium Employer

Wage Withholding, F-13024 form. You can call your agency to ask for this form or go to dhs.wi.gov/forms/f1/f13024.pdf.

- You can mail your premium statement and a check or money order every month to:
Medicaid Purchase Plan
P.O. Box 93187
Milwaukee, WI 53293-0187

Member/Employer Electronic Funds Transfer for Medicaid Purchase Plan Premiums

Instructions

The Member/Employer Electronic Funds Transfer may be used by members who are making their own payments, as well as employers who are withholding payments on behalf of employees who have Medicaid Purchase Plan (MAPP) health care coverage.

Fill out this form to automatically deduct funds from a checking or savings account on the third of each month for the premium payment. If the third falls on a weekend or holiday, funds will be taken from the account the following business day. Employers must complete a separate form for each employee. To have funds taken out automatically, fill in your name, your MAPP Case Number found on your MAPP premium notice, and your checking or savings account details.

- **Receiving Bank/Savings and Loan/Credit Union**

Enter the name of the bank, savings and loan, or credit union in the space. If it is a branch office, enter that information under "Branch." Include the city, state, and ZIP code where the bank, savings and loan, or credit union is located. Use the information for the branch visited most frequently.

- **Account Type**

Check the box for the type of account, checking or savings, from which the funds should be taken.

- **Bank Transit Routing Number and Bank Account Number**

These numbers can be found on the bottom of your checks and deposit slips. **A voided check or deposit slip must be attached to the electronic funds transfer (EFT) form.** The bank transit routing number is the first nine digits. The following number, up to 17 digits in length, is the bank account number. Contact the bank, savings and loan, or credit union to clarify these numbers.

- **Names(s) and Signature(s) – Account Owner and Co-owner**

Print the names of the account's owner and co-owner if it is a joint account. The account owner, and co-owner if applicable, must sign and date the form.

- **Signature — Employer**

If the member decides to pay the premium payment using employer wage withholding, and the employer chooses to pay using EFT, the employer will need to fill out and sign this EFT form.

Under s .49.45(4), Wis. Stats., personally identifiable information about applicants and members is confidential and is used for purposes directly related to program administration such as payment of premiums by members. Failure to supply the information requested by the form may result in denial of payment for services.

If there are any questions regarding the above information, call 888-907-4455.
