Subject: New 2015 Consolidated Contract Amendments Available

This message is being sent to specific local health officers, program managers and contract administrators. The local health officers who are receiving this e-mail are being notified of additional allocated funds through the consolidated contract amendment process.

New Amendment Available

New amendments are now available for your 2015 Consolidated Contract. We are issuing new funds for WIC Farmers Market (Profile 154720) and making adjustments to the WIC Total Grant funding (Profile 154710).

Some agencies will be receiving additional funds for the WIC Total Grant, while funding for other agencies is being reduced. Agencies with reduced funding have been issued two amendments, one to add funds to WIC Farmers Market and the other to reduce funding for the WIC Total Grant. Those agencies with increased funding have been issued a single amendment which includes the Farmers Market and WIC Total Grant funding.

A revised WIC caseload has been included on each amendment, whether it is an increase or decrease in funding. Please note that GAC and the 2015 Consolidated Contract Overview spreadsheet have both been updated to reflect the change in funding resulting from these amendments; GAC objectives will also be updated to reflect the new caseload.

To download a copy of your new amendment(s), please open the [2015 Consolidated Contract Overview](#) spreadsheet and click on your latest amendment (any amendment highlighted yellow needs to be signed and submitted). Once you've opened and reviewed the amendment, please print and sign two hardcopies and mail them back to us at the address below by April 24th if possible. Once DPH receives the necessary documents, the contract will be counter-signed and one fully executed copy will be returned to you.
