Date: Monday, May 18, 2015 3:32:13 PM

This message is being sent to specific local health officers, program managers and contract administrators. The local health officers who are receiving this e-mail are being notified of additional allocated funds through the consolidated contract amendment process.

Unilateral Amendment Now Available

A new unilateral amendment has been added to your 2015 Consolidated Contract. Your amendment includes funding for the Well Woman transition period (Profile 157010) or the E-WIC pilot project (Profile 154710).

To download a copy of your new amendment, please open the [2015 Consolidated Contract Overview](#) spreadsheet and click on the latest amendment. Because this amendment is simply adding funds to an existing Profile ID, there is no need for you to sign or return a copy of this amendment. An original hardcopy version of the signed unilateral amendment is also being mailed to you for your records.

Please note that GAC and the [2015 Consolidated Contract Overview](#) spreadsheet have been updated to reflect the additional funding resulting from this amendment.

If you have any questions regarding the Consolidated Contract process, please direct them to Matt Marcum at Matthew.Marcum@dhs.wisconsin.gov or 608-266-5318.

Thank you,
