## Producing your report

View the contract deliverables for each childhood lead objective in your consolidated contract.

If your department...

**Chose a template objective**, the deliverables are outlined in this document.

1. Fill in the blanks for each objective your department chose.
2. Send your completed report to the Childhood Lead Poisoning Prevention Program.

**Created a personalized objective**, follow the following instructions.

1. Create a new word document;
2. Copy the objective into the document;
3. Report out your deliverables; and
4. State whether you met your objective or not.
  - a. If you did not meet your objective, give an explanation as to why the objective was not met.
5. Send your completed report to the Childhood Lead Poisoning Prevention Program.

## Sharing your report

Send your completed report to the Childhood Lead Poisoning Prevention Program (CLPPP):

**Email:** [DHSLeadPoisoningPrevention@dhs.wisconsin.gov](mailto:DHSLeadPoisoningPrevention@dhs.wisconsin.gov)

**Fax:** 608-267-0402

## Objectives

### Objective 1

If you chose objective 1, fill in the blanks for this section. Please note, your testing percentages will be provided by CLPPP.

**2025 objective:** By December 31, 2025,  
will increase the percentage of blood lead testing for 1- and 2-year-olds.

2024 benchmark:

- of 1-year-olds tested
- of 2-year-olds tested

2025 testing rates:

- of 1 year olds tested
- of 2 year olds tested

List the activities your department planned to implement to increase testing.
