Objective: Primary Details

Objective Statement (Template Objective)

Template Objective 9- National Public Health Standards

By August 31, 2015, Barron County Public Health will conduct one activity to prepare for voluntary accreditation by working on a performance management system, and workforce development system and plan.

Two Public Health Staff will take the PHAB coordinator training. We are a small agency where staff get pulled into many directions. Have two staff attend the training will make our public health improvement team stronger.

Deliverable Due Date: 10/31/2015

Contract Deliverable (Evidence)

A report entered into an electronic data collection tool that describes:

1. Strategies implemented and outcomes measured
2. Challenges or barriers to success
3. Actions to address challenges
4. If Prevention funded activities were used to obtain additional funding, donations or in-kind contributions

Programs Providing Funds for this Objective

Preventive Health and Health Services Block Grant 2013-2015: \$6,410

Agency Funds for this Objective:

Data Source for Measurement

Agency report to be entered into an electronic data collection tool to be provided by the WI Division of Public Health.

Baseline for Measurement

A complete performance management system will be developed and utilized by all PH staff at BC.

Training in NG, our charting system that has been used in our county >5 years.

Context

Describe why this objective was chosen and the expected outcome measure(s)

Barron County Public Health continues to work towards accreditation and has worked on QI and PM plans. What our department will work on is a system that brings the two together in a fashion that make sense for all PH staff.

Barron County also lacks a solid workforce development plan and will be spending time in 2015 identifying, planning, and evaluating all PH roles.

Context Continued

Input Activities

Local public health agencies selecting this objective will conduct one of the following activities to prepare for voluntary accreditation by:

- developing a Performance Management Plan and System.

- conducting a Quality Improvement project

- developing processes, a database, and/or record-keeping systems to meet public health accreditation documentation standards. Utilizing Nightengale notes to it's full potential.

- updating and revising agency policies and procedures
