Baseline for Measurement

In 2014, we trained 15 community members to be QPR trainers and over 300 community members to be QPR gatekeepers. Mental Health First Aid training is a new initiative for 2015.

Context

As part of the Columbia County Health Improvement Process, community leaders started meeting in January 2013 to prevent suicide and increase access to mental health services. This committee formed the coalition Prevent Suicide Columbia County in June 2013. Columbia County Health Department is the key leader in our Prevent Suicide Coalition initiatives. Please see our website at <http://www.preventsuicidecolumbiacounty.org/> for more about what we do. Our coalition would like to continue to use Prevention Grant dollars for Question, Persuade and Refer (QPR) training at the gatekeeper and trainer levels to train community members to recognize signs of depression and suicide and refer to resources. Our coalition would also like to utilize Prevention Grant dollars to train community members in Youth Mental Health First Aid.

Context Continued

Input Activities

QPR Gatekeeper Training for Suicide Prevention and Mental Health First Aid are both on the SAMSHA's National Registry of Evidence-based Programs and Practices.
