Data Source for Measurement

Agency report to be entered into an electronic data collection tool to be provided by the WI Division of Public Health.

Baseline for Measurement

The development of our Strategic Plan is a new initiative.

Context

Sheboygan County Division of Public Health is working toward developing a culture of accreditation readiness through quality improvement and strategic planning. This objective was selected to align the Sheboygan County CHA/CHIPP, Quality Improvement Plan and Performance Management Plan. This is our logical next step in the process to provide a means of measuring strategies in a standard and interconnected method.

The development of the strategic plan will include staff training and at least 3 all staff (33) retreats. To focus our planning and development, the NACCHO Guide to Local Health Department Strategic Planning will be used as guidance.
