CENTRAL RACINE COUNTY HEALTH DEPARTMENT ADOLESCENT HEALTH MINI-GRANT WORK PLAN

Goal I: Identify and engage community stakeholders interested in addressing adolescent health.							
Objectives	Activities	Timeline				Measures of Accomplishment	Person Responsible
		S	O	N	D		
<p>Objective 1: By December 31, 2015, in collaboration with City of Racine Health Department, identify and review all programming currently taking place in Racine County related to Personal Responsibility Education Programs (PREP).</p> <p>Objective Rationale: Identification of all in-school and out-of-school programming helps to pinpoint Racine County needs, reduce the chance of redundancies, and increase the potential for project collaboration.</p>	<p>Activity 1: Identify PREP and PREP-like provider agencies in Racine County i.e. schools, non-profits, healthcare providers, local public health, coalitions, government officials, funders, academic institutions, etc.</p>	X	X	X	X	<p>List of agencies providing adolescent health services such as:</p> <ul style="list-style-type: none"> • Racine Family YMCA – PREP, YLA, PREP Stakeholder Group • Wheaton Franciscan Healthcare • Aurora Health Care, Racine • Racine Unified School District – Case HS, REAL School • Burlington Area School District • Union Grove School Districts • Waterford Area School District • Safe Kids Kenosha/Racine Coalition • Racine County Youth Coalition • Safe Haven of Racine • United Way Youth as Resources • LGBT Center of SE Wisconsin 	<ul style="list-style-type: none"> • Health Officer • Community Health Program Manager • Public Health Specialist
	<p>Activity 2: Identify specific programs and curriculum utilized by agencies specified in Activity 1.</p>	X	X	X	X	<p>List of specific programs and curriculum utilized by each agency.</p> <p>List of current inter-agency collaborations/partnerships.</p>	<ul style="list-style-type: none"> • Health Officer • Community Health Program Manager • Public Health Specialist
<p>Objective 2: By December 31, 2015, in collaboration with City of Racine Health Department, implement activities to plan and convene stakeholder meetings to discuss adolescent health needs in Racine County.</p>	<p>Activity 1: Identify key stakeholders for meetings with Racine Unified School District (Case HS, REAL School), Union Grove HS, Waterford HS, and Burlington HS and potentially middle schools in Racine County.</p>		X	X		<p>List of school participants e.g. superintendents, principals, social workers, teachers, and students.</p>	<ul style="list-style-type: none"> • Health Officer • Community Health Program Manager • Public Health Specialist

CENTRAL RACINE COUNTY HEALTH DEPARTMENT ADOLESCENT HEALTH MINI-GRANT WORK PLAN

Objective Rationale: Stakeholder involvement from the beginning helps increase awareness, buy-in and commitment, and helps to remove barriers to program implementation.	Activity 2: Identify partner agencies to participate in stakeholder meetings e.g. Racine Family YMCA.		X	X		List of all other potential meeting participants from community partner agency findings.	<ul style="list-style-type: none"> Health Officer Community Health Program Manager Public Health Specialist 	
	Activity 3: Hold meetings with Racine Unified School District, Union Grove HS, Waterford HS, and Burlington HS and community partners.			X	X		Meeting agendas and minutes, including meeting participants.	<ul style="list-style-type: none"> Health Officer Community Health Program Manager Public Health Specialist
	Activity 4: Identify strengths, needs and service gaps of schools and partner agencies at stakeholder meetings.			X	X		Meeting agendas and minutes.	<ul style="list-style-type: none"> Health Officer Community Health Program Manager Public Health Specialist

Goal II: Select and purchase at least two evidence-based programs that would be culturally appropriate for the adolescents of greatest need in your community.								
Objectives	Activities	Timeline				Measures of Accomplishment	Person Responsible	
		S	O	N	D			
Objective 1: By December 31, 2015, in collaboration with City of Racine Health Department, complete needs assessment to identify community strengths and gaps as well as potential partner agencies in order to target adolescent health programming efforts. Objective Rationale: Racine County consists of suburban, urban, and rural adolescent populations, each with their own unique needs but also with similar adolescent health issues. While we know that Racine County	Activity 1: Review Racine County data to identify highest areas of need i.e. teen pregnancy, STDs/STI, OTC and recreational drug (mis)use, mental health, etc.	X	X			Data findings such as YMCA PREP data, CRCCHD and City of Racine Community Health Assessment data, WISH data, Search Institute data, CDR/FIMR data, etc.	<ul style="list-style-type: none"> Public Health Specialist 	
	Activity 2: Review needs as identified by schools and other community partners, offering a first-hand perspective on community strengths and weaknesses.				X	X	Meeting agendas and minutes.	<ul style="list-style-type: none"> Health Officer Community Health Program Manager Public Health Specialist
	Activity 3: Review gaps as well as potential areas for expansion, allowing the voice				X	X	Meeting agendas and minutes.	<ul style="list-style-type: none"> Health Officer Community Health

Goal III: Develop a sustainability plan to engage youth voice at a local level (using a youth leadership council, peer education program, or teen advisory board).

Objectives	Activities	Timeline				Measures of Accomplishment	Person Responsible
		S	O	N	D		
<p>Objective 1: By December 31, 2015, in collaboration with City of Racine Health Department, identify role of youth in stakeholder group based on chosen curricula.</p> <p>Objective Rationale: Engaging youth helps give voice to program plans, development of a vision, engagement of community support, championing of program efforts, and connecting youth to resources. Additionally, youth involvement allows them to gain valuable leadership skills and inject energy and insight into community change efforts.</p>	<p>Activity 1: Involve youth in all phases of stakeholder meetings.</p>	X	X	X	X	Identification of program design, financing strategies, and curricula by youth representative.	<ul style="list-style-type: none"> • Health Officer • Community Health Program Manager • Public Health Specialist
	<p>Activity 2: Identify key program champions e.g. YMCA YLA.</p>	X	X	X	X	List of program champions.	<ul style="list-style-type: none"> • Health Officer • Community Health Program Manager • Public Health Specialist
	<p>Activity 3: At stakeholder meetings, tailor roles and levels of responsibilities to meet the developmental capacity of youth.</p>			X	X	Meeting agendas and minutes.	<ul style="list-style-type: none"> • Health Officer • Community Health Program Manager • Public Health Specialist
