<b>Goal I: Identify and engage community stakeholders interested in addressing adolescent health.</b>							
<b>Objectives</b>	<b>Activities</b>	<b>Timeline</b>				<b>Measures of Accomplishment</b>	<b>Person Responsible</b>
		<b>S</b>	<b>O</b>	<b>N</b>	<b>D</b>		
<p>Objective 1: By December 2015, we will map existing stakeholders and partnership groups that are involved in work related to adolescent health</p> <p>Objective Rationale: We need to brainstorm who should be at the table for discussing adolescent health and what groups are already meeting that have a youth health focus</p>	<p>Activity 1: Brainstorming existing community partners with a connection to adolescent health</p>	X	X	X		List of interested parties/individuals, contact information	MCH team
	<p>Activity 2: Research existing community collaboration (including information on youth involvement) working on adolescent issues</p>	X	X	X		List of collaborations, contact information, and partners	MCH team
	<p>Activity 3: Compare existing partners to County Health Rankings model to identify gaps in stakeholder/partner list</p>	X	X	X		List of gaps	EC healthy communities staff
<p>Objective 2: By November 2015, we will compile basic adolescent health data profile for Eau Claire County</p> <p>Objective Rationale: Before we can proceed to act on the adolescent health issues, we need to know what they are, so this group of stakeholders</p>	<p>Activity 1: Review data available on Eau Claire Healthy Communities Website &amp; CHA related to adolescents</p>	X	X			Data compiled	Intern/MCH staff/contract staff
	<p>Activity 2: Review MCH federal indicators (Title V performance measures, HP2020, etc) for Eau Claire County data and make a comparison to state data for adolescent health</p>	X	X			Local data for federal indicators	

needs to meet and discuss the adolescent health issues in our community	Activity 3: Compile data profile on adolescent health to share with community partners	X	X			Data profile	Contract staff
Objective 3: By December 2015, community stakeholders will meet to discuss adolescent health issues in our county.  Objective Rationale: Before we can proceed to act we need to know what health issues are, so this group of stakeholders will meet to discuss what other efforts have been made in the community, what the gaps are, and what the data says about adolescent health.	Activity 1: Determine potential small group, contact small group and schedule meeting			X	X	Scheduled meeting	MCH staff
	Activity 2: Meet as a small group and disseminate the issues and mapping of partners, discuss/brainstorm the next steps for collaboration, and consider evidence-based program choices and make recommendation			X	X	Minutes and handouts of meeting	MCH staff

<b>Goal II:</b> Select and purchase at least two evidence-based programs that would be culturally appropriate for the adolescents of greatest need in your community.							
<b>Objectives</b>	<b>Activities</b>	<b>Timeline</b>				<b>Measures of Accomplishment</b>	<b>Person Responsible</b>
		<b>S</b>	<b>O</b>	<b>N</b>	<b>D</b>		
<p>Objective 1: By the end of December 2015, we will identify and purchase programs to purchase through MCH grant funding</p> <p>Objective Rationale: After discussing the needs of the adolescent health group, we will be poised to identify programs that would address those needs.</p>	Activity 1: Determine if any of EBP are currently utilized in Eau Claire County		X	X	X	Information on programs utilized	Intern
	Activity 2: Stakeholder group will review EBP options and provide feedback on top two programs that fit the needs of population from community meeting				X	Identification of top two programs	Stakeholder group/ MCH staff
	Activity 3: Order 2 programs based on feedback				X	Purchase order made	Purchasing staff

<b>Goal III:</b> Develop a sustainability plan to engage youth voice at a local level (using a youth leadership council, peer education program, or teen advisory board).							
<b>Objectives</b>	<b>Activities</b>	<b>Timeline</b>				<b>Measures of Accomplishment</b>	<b>Person Responsible</b>
		<b>S</b>	<b>O</b>	<b>N</b>	<b>D</b>		
<p>Objective 1: By the end of December 2015, the small group of stakeholders draft recommended next steps related to youth engagement and adolescent health.</p> <p>Objective Rationale: Stakeholders will provide feedback on recommendations based on assessment and community meeting related to youth engagement and adolescent health.</p>	Activity 1: Meet as a small group to discuss health issues, gaps, adolescent health issues, etc. (See Goal I, Objective 3)				X	Meeting minutes/handouts	MCH staff/Stakeholder group
	Activity 2: Draft recommendations for youth involvement and sustainability				X	Recommendations	MCH Staff
	Activity 3: Apply for funding from MCH for next steps with development of implementation plan				X	Application for funding completed	TBD
