#### Input Activities

CDC requires Preventive Health and Health Services Block Grant funds to be used on evidence-based strategies, best practices or promising practices. Describe the strategies/practices to be used and identify the associated web links as available. Potential links to strategies for this objective can be found on the 2014-2016 Preventive Health and Health Services Block Grant Program Boundary Statement.

The strategies to be used are to increase community awareness and substance abuse messaging in order to reduce substance abuse, support alcohol and drug abuse prevention by providing education of the effects of underage drinking and offering tools and strategies to help youth deal with life stresses in a healthy manner.

The Hales Corners Health Department will provide education regarding substance abuse and prevention via the Hales Corners website, Health Department Facebook page, quarterly Village newsletter and by supporting community programs that provide education, intervention and support for individuals and families affected by alcohol abuse.
