

DIVISION OF PUBLIC HEALTH
DPH CONTRACT 27463
AMENDMENT #7

The Department of Health Services, on behalf of the Division of Public Health and Milwaukee City Health Department agree to amend their original agreement for the program titled MCH as follows:

Adjustment will be made to the Community Aids Reporting System (CARS) based on the information in the table below.

Agency #	Agency Type	Profile #	Current Contract Level	Contract Change Amount	New Contract Level	Funding Period
256107	560	159320	\$531333	\$17777	\$549110	1/1/2015-12/31/15

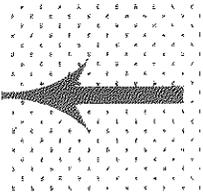

All other terms and conditions of the original agreement remain unchanged.

Date

Goal I: Identify and engage community stakeholders interested in addressing adolescent health.

City of Milwaukee Health Department

Objectives	Activities	Timeline				Measures of Accomplishment	Person Responsible
		S	O	N	D		
Objective 1: Engage Plain Talk community partners in the implementation of the MAPPP Strategic Planning goal of aligning and creating an Adolescent “Care”	Activity 1: Learn about MPS Family resource staff and how staff in this recently created role can positively influence reproductive health for their teen loved ones.	x	x	x	x	Encourage the organizing and support of an active parent advisory committee.	Denise A. Crumble Plain Talk /Prep Talk for Youth Health Project Coordinator

<p>System.</p> <p>Objective Rationale:</p> <p>The City of Milwaukee Health Department can play a substantial role by providing staff leadership to facilitating a work group to achieve this community strategic planning goal.</p>	<p>Activity 2:</p> <p>Promote 211 listing and updates with MAPPP/ PREP/ TPPN programs</p>		x	x		<p>Increase referrals to local adolescent reproductive and other health care providers through 211.</p>	<p>Denise Crumble</p>
	<p>Activity 3:</p>						

Goal II: Select and purchase at least two evidence-based programs that would be culturally appropriate for the adolescents of greatest need in your community.

Objectives	Activities	Timeline				Measures of Accomplishment	Person Responsible
		S	O	N	D		
<p>Objective 1:</p> <p>Continue use and dissemination of the Teen Health Project Intervention</p> <p>Objective Rationale: The Teen Health Project is an evidenced-based intervention that is current utilized by Prep Talk for Youth. It is easily adapted in school and neighborhood center settings. The intervention utilizes popular teens to promote healthy messages.</p>	Activity 1: Continue providing the Teen Health Project intervention	X	X	X	X	Train at least 50 youth ambassadors annually	Denise A. Crumble
	Activity 2: Provide technical support to sites that would like to adapt the Teen Health Project Intervention	X	X	X	X		Denise A. Crumble
	Activity 3:						
	Activity 4:						

	Activity 5:						
<p>Objective 2: Implement Street Smart in settings where the intervention is more appropriate than the Teen Health Project.</p> <p>Objective Rationale: Street Smart is recognized as an evidenced based curriculum that is popular with local facilitators and viewed widely as effective.</p>	Activity 1: Participate in Street Smart training.	X	X	X	X	MHD staff and volunteers trained in Street Smart intervention.	Denise Crumble
	Activity 2:						
	Activity 3:						

Goal III: Develop a sustainability plan to engage youth voice at a local level (using a youth leadership council, peer education program, or teen advisory board).

Objectives	Activities	Timeline				Measures of Accomplishment	Person Responsible
		S	O	N	D		
<p>Objective 1: Continue convening Teen Health Councils as described in the Teen Health Project Intervention.</p> <p>Objective Rationale: In settings that are conducive to community engagement the Teen Health Project Teen Health Councils plan in-school/ in center health campaigns that are tailored by the council to reach their peers.</p>	Activity 1: Convene the Semester 1 2015-16 New School for Community Service High School Teen Health Council.	X	X	X	X	15% of the total student body will be targeted to participate in a Teen Health Council.	Denise A. crumble
