1. Provide Health Homes Training for HHS staff and other community partners, including visiting nurses, Head Start and Early Head Start, in home daycares and community realtors. This training will be open to anyone in the community. The exact training will be through <http://healthyhousingsolutions.com/training>
2. Develop a healthy home assessment tool to be utilized by the MCH staff and others in the agency incorporating learned strategies from the training. Integrate the tool into every home visit and everyday practice.

Outcomes, will reduce the number of duplicated services for healthy homes consultations. The number of children with lead levels greater than 5 will be reduced by at least 10 (currently at 35). Asthma rates are 819 emergency department visits (2011-2013). By addressing mold, dust, etc. plan to reduce this number to 700 by 2017. Also supports the HUD strategic goal of building a healthy homes professional workforce.
