

**DIVISION OF PUBLIC HEALTH
DPH CONTRACT 30538
AMENDMENT #2**

WIC Project # 45

The Department of Health Services, on behalf of the Division of Public Health and the Manitowoc County Health Department agree to amend their original agreement for the following program(s) as follows: Adult Immunization (Profile 155032) and WIC Farmers Market (Profile 154720).

REVISION: SECTION 5. SERVICES

Additional projects to be completed as detailed in attached Exhibit(s).

Adjustment will be made to the Community Aids Reporting System (CARS) based on the information in the table below.

Agency #	Agency Type	Profile #	Current Contract Level	Contract Change Amount	New Contract Level	Funding Period
36	730	155032	\$0	\$5922	\$5922	5/1/2016-6/30/2017
36	630	154720	\$0	\$2282	\$2282	1/1/2016-12/31/2016

All other terms and conditions of the original agreement remain unchanged.

Contract Objective Details - Complete

Contract #: 30538

Agency: Manitowoc County Health Department

Contract Year: 2016

Program: Adult Immunization

Objective #: 1 of 1

Objective Value: \$5,922

Objective: Primary Details

Objective Statement (Template Objective)

Select at least one adult immunization objective (A). The Adult Immunization contract cycle will be May 1, 2016 through June 30, 2017 (14 months).

By June 30, 2017, 31% adults aged greater than or equal to 60 years residing in Manitowoc County Health Department jurisdiction will have received a dose of zoster.

Deliverable Due Date: 07/31/2017

Contract Deliverable (Evidence)

A Wisconsin Immunization Registry (WIR) generated population-based standard benchmark report documenting the number of adults in Manitowoc County with an age-appropriate indication during the 14-month contract cycle. Reports should be run with a 45 day buffer to ensure that all updated data has been received by the Wisconsin Immunization Registry (WIR). Include a report of the accountability targets and the progress achieved including the activities and interventions conducted; include any barriers that may have been identified. A summary of progress made on the selected objective(s) will be required at project mid-point.

Date of birth range:

greater than or equal to 60 years: less than or equal to 6/30/1957 (use 1/1/1900-6/30/1957 in benchmark report)

Run date: 8/15/2017

Programs Providing Funds for this Objective

Adult Immunization: \$5,922

Agency Funds for this Objective:

Data Source for Measurement

Directions on how to pull benchmark reports from the WIR:

1. For all objectives: LHDs should choose "Clients Residing in (your jurisdiction)" and Tribes should choose "Clients Associated with (your tribal health division)".
2. Choose "All Clients, regardless of whether they met the benchmark report or not".
3. Use the birth date range (outlined above) associated with your objective and the timing of the report you are running.
4. Choose a "Standard Assessment".
5. Use the evaluation date (outlined above) associated with the timing of the report you are running.
6. Select the benchmark that is associated with the objective you chose.

Tdap:

Hep B Influenza Pneumo-Poly Td Tdap Zoster
Adult COMPLETE UTD COMPLETE UTD *1* 1

3-Dose HPV Series:

Hep B HPV Meningo MMR Td Tdap Varicella
Adolescent COMPLETE 1 1 2 UTD 1 2
Adolescent Complete COMPELTE *3* 1 2 UTD 1 2

Zoster:

Hep B Influenza Pneumo-Poly Td Tdap Zoster
Adult COMPLETE UTD COMPLETE UTD 1 *1*

PCV13 and PPSV23

Hep B Influenza Pneumo-Poly Td Tdap Zoster
Adult COMPLETE UTD *COMPLETE* UTD 1 1

Influenza

Hep B Influenza Pneumo-Poly Td Tdap Zoster
Adult COMPLETE *UTD* COMPLETE UTD 1 1

Objective #: 1 of 1

Objective Value: \$5,922

Baseline for Measurement

The 2015 end of year population based standard benchmark report will be used to determine the baseline for the current adult population based objective.

For the baseline the following parameters will be used to run the benchmark report:

Date of birth range:

greater than or equal to 60 years: less than or equal to 12/31/1955 (use 1/1/1900-12/31/1955 in benchmark report)

Manitowoc County baseline for measurement is 23% ($5360/23523 = 23\%$)

Run date: 2/15/2016

Context

Adults will be assessed using the benchmark report for having a dose of zoster vaccine. Progress towards reaching 90% will be measured using a WIR benchmark report. Only adults who have moved out of the agency's jurisdiction may be removed from the cohort for analysis. Unless you can prove that an adult has moved out of your jurisdiction, you cannot remove them from your cohort.

Guidelines for determining increase needed for progress toward contract cycle goals:

20%-29% - 8% above baseline

30%-39% - 7% above baseline

40%-49% - 6% above baseline

50%-59% - 5% above baseline

60%-69% - 4% above baseline

70%-79% - 3% above baseline

80%-85% - 2% above baseline

86%-89% - 1% above baseline

greater than or equal to 90% - maintain

Agencies should consult with their Regional Immunization Representative for assistance with determining activities and interventions that will help them achieve the required increase for their population assessment.

Context Continued

Input Activities

The Wisconsin Immunization Program recommends the following activities to help ensure the success of this objective:

Sharing information on the Adult Immunization Standards with local health care providers (e.g., during educational sessions or coalition symposiums)

Requesting that Manitowoc County pharmacies enter adult shingles vaccine that they administer into the WIR.

Reminder and recall postcards will be mailed out once to all Manitowoc County residents age 60 to 64 1/2 years old.

Provide one educational session in Manitowoc County to local health care providers on the zoster vaccine.

Collaborate with the ADRC to develop a Manitowoc County Medicare Advantage plan navigation tool to be disseminated to adults over 65.
