Description of Activities:

These funds are essential to support STD Control Section activities in the City of Milwaukee and surrounding areas. These funds support one clerk, one microbiologist and three communicable disease specialists. The clerk typist completes monthly reports as well as ongoing morbidity reports, assists with quality assurance procedures for the STD Control Section and data entry for the positive reports. These funds support a microbiologist in the City of Milwaukee Laboratory to conduct gonorrhea, chlamydia and syphilis testing and screening. These funds will also be used to support three communicable diseases specialists to follow and interview those who are diagnosed with an STD. The STD Control Section will be conducting two contract-monitoring sessions during calendar year 2016.

Contract will be monitored with four visits by Anthony Wade, Wisconsin STD Program Director and two visits by Stephanie Smiley, Director, Bureau of Communicable Diseases. An audit may be required from the State of Wisconsin.
