- D. Implement and evaluate the effectiveness of the following strategies and activities for Medical Home: (See 2019 Work Plan and Program Parameters for a complete list of activities)
1. Regional Centers will provide information, referral and follow up services to families. (see work plan)
    - Maintain a website that provides access to information about the Regional Center and CYSHCN Network Partners.
    - Promote concepts of Medical Home & Youth Health Transition with families in the context of I&R calls, on the website and any available social media.
    - Identify family leaders.
  2. Regional Centers will provide information and consultation to providers and community professionals serving CYSHCN & their families:
    - Provide information to community partners, providers, and other professionals supporting CYSHCN in the region.
    - Provide consultation and information in the context of community events.
    - Support and sustain family leaders through consultation.
  3. Identify and share new &/or updated resources with relevant stakeholders (Regional Centers will conduct trainings in the area of community resources/supports, youth health transition, and medical home concepts for families and community partners).
    - Organize, facilitate and deliver Partnering with Your Child's Doctor.
    - Refer families to the Family Voices of Wisconsin website for Care Coordination in the Community (MH 101, 102, 103) webcast series.
    - Organize, facilitate and deliver the Build Your Bridge.
    - Partner with Family Voices of Wisconsin to conduct What's After High School training events in their region.
    - Organize, facilitate and deliver Did You Know? Now You Know!
    - Support family leaders by providing them information, and tools. Complete Family Engagement Questionnaires.
  4. Regional Centers will connect families with other families through referrals to P2P of WI and partnering to host support parent trainings in their region.
    - Connect family leaders with opportunities for parent leaders through a referral to P2P.
    - Identify parent leaders in their community.
  5. Regional Centers will support Grantees (QI & Tribal) within their region.
    - Promote and solicit practices/health care systems to develop QI grant proposals/applications.
    - Participate in Learning Community Calls.
    - Provide technical assistance to grantees.
    - Provide ongoing support to youth/families QI teams.
    - Attend the annual QI/Tribal Grantee and MCH/CYSHCN Summit.
  6. Regional Centers will conduct outreach efforts to support referrals to the Regional Center, and secure partnerships for trainings with a focus on underserved populations and families whose children are adolescents.
    - Promote the concepts of Medical Home and Youth Health Transition.
    - Conduct community outreach activities.
    - Build community partnerships.
  7. Enter all data into REDCap within 30 days following the end of each quarter (i.e., by end of April 2019, July 2019, October 2019, EOY January 2020).
  8. Optional: Innovative way to advance Medical Home & Transition strategies (such as common messaging, cross system coordination, etc.). Note: These activities will be covered by 75% match funds. Describe purpose, activity and evaluation measure.
- E. See detailed information as identified in the 2019 Regional Center work plan.
- F. RedCap Data System and completed 2019 work plan.
- G.
