1.

- A. Objective 1
By December 31, 2020, the Regional Center for CYSHCN will implement and evaluate strategies to increase the number of children with a medical home and supported through youth health transition
- B. A Mid-Year and End of Year Summary RedCap Report and a completed work plan to document: a) activities implemented to increase the number of children with a medical home, and b) outcomes that occurred as a result of the implemented activities.
- C. The MCH/CYSHCN Program Parameters apply to this objective. This work will address the Title V National Performance Measure 11: Percent of children with and without special health care needs having a medical home.
- C.
- D. Implement and evaluate the effectiveness of the following strategies for Medical Home and Youth Transition. (Detailed activities are listed in the 2020. CYSHCN work plan).
 - 1. The Regional Center will provide information, referral and follow up services to families.
 - 2. The Regional Center will provide information and consultation to providers and community professionals serving CYSHCN & their families.
 - 3. The Regional Center will conduct trainings in the area of community resources/supports, youth health transition, and medical home concepts for families and community partners.
 - 4. The Regional Center will connect families with other families through referrals to P2P of WI and partnering to host support parent trainings in their region.
 - 5. The Regional Center will support Quality Improvement Shared Plan of Care Grant Teams (Community & Tribal) within their region in partnership with the Medical Home and Transition Hubs as designated.
 - 6. The Regional Center will participate in the MCH/CYSHCN statewide pilot towards strengthening family, youth and community member engagement.
 - 7. The Regional Center will participate in an ongoing satisfaction survey initiative by providing caller/contact emails for purposes of disseminating the survey following contact with parents or professionals.
 - 8. Optional: Innovative way to advance Medical Home & Transition strategies (such as common messaging, cross system coordination, etc.). Note: These activities will be covered by 75% match funds. Describe purpose, activity and evaluation measure.
- E. See detailed information as identified in the 2020 Regional Center work plan and 2020 Program Parameters.
- F. RedCap Data System and a completed 2020 work plan.
- G.
