Context

Fit Families SNAP-Ed Project Plans and Reports are collected annually and reviewed by the Wisconsin Fit Families SNAP-Ed Program. The program provides objectives, guidance and template plans (based on Fit Families Program protocols and USDA Guidance) for projects to use to develop their own plans. This objective is required for all Fit Families SNAP-Ed projects. Projects receive technical assistance and training from a mentoring team. The Wisconsin Fit Families SNAP-Ed Program staff monitors projects using Management Evaluation (ME) tools and prepares reports based on findings.

Input Activities

Guidelines and procedures as outlined in the Fit Families SNAP-Ed Program and Project Plans, Management Evaluation (ME) tools, and USDA SNAP-Ed Guidance.
