This message is being sent to all health and tribal health officers, program managers, contract administrators and Regional Directors.

GAC Update – New Funding Period Column

After September 14th, when you log in to GAC you will notice a change to the Contract Programs page. In an effort to clarify funding periods for individual programs within the LPHD Consolidated Contract, we've added a Funding Period column (please see the attached screenshot). The Funding Period dates in GAC match the funding period dates that can be found in Column D of the agency specific tabs within the [2015 Consolidated Contract Overview](#) spreadsheet. The Funding Period dates indicate the timeframe within which eligible expenses may be incurred for each specific program.

The dates in the Funding Period column will be populated by DPH whenever new funding is loaded. For funding that has already been loaded in GAC (i.e. the 2014 and 2015 consolidated contracts), we will be entering the correct funding period information during the week of the 14th. As such, there isn't any action that you need to take at this time, but we want you to be aware of the change and have an understanding of how this new resource may benefit you.

If you have any questions regarding the new Funding Period column in GAC, or if you notice any discrepancies in the dates that are entered, please contact Matt Marcum at Matthew.Marcum@dhs.wisconsin.gov or 608-266-5318.

Thank you,
