

2016 Wisconsin Keeping Kids Alive Supplement to GAC Objective

Objective Statement: By December 31, 2016, the Keeping Kids Alive Initiative for _____ (FIMR or CDR) will be implemented by the agency in collaboration with community partners.

Note: CDR and FIMR are Input Activities that can support other MCH objectives as review team recommendations move to preventive action. Keeping Kids Alive will not be continued as a separate objective beyond 2016.

Baseline		
Describe the CDR or FIMR Team (date established; LPHD as lead or member; frequency of meetings; number of cases reviewed).		
Identify assessment results (if applicable).		
Confirm documentation of data into national data base.		
Describe plans to move recommendations to preventive actions.		
Input Activities related to the CDR or CDR/FIMR Team		
Agency Activities	Responsible Person	Timeframe
How will the agency work with partners to accomplish assessment and/or planning and implementation?	Who will carry it out?	When will it take place and for how long?
