New 2015 Consolidated Contract Amendments for May

This message is being sent to all local health officers, but does not apply to the following agencies: Central Racine County Health Department, Dodge County Human Services & Health Department, Dunn County Health Department, Eau Claire City/County Health Department, Franklin Health Department, Greenfield Health Department, Jackson County Health & Human Services Department and Wauwatosa Health Department. The local health officers who are receiving this e-mail are being notified of additional allocated funds through the consolidated contract amendment process.

New 2015 Consolidated Contract Amendments for May

A new amendment to your **2015** Consolidated Contract is now available. We are issuing new funds for the Bioterrorism Preparedness program (Profile 155050 and/or Profile 155015), Bioterrorism Hospital Preparedness (Profile 155171) and/or ELC – Affordable Care Act 2 (Profile 155141).

To download a copy of your amendment, please open the [2015 Consolidated Contract Overview](#) spreadsheet and click on your most recent amendment. For the majority of you, this amendment is unilateral (it has already been signed by Chuck Warzecha) and is

simply adding funds to an existing Profile ID, there is no need for you to sign or return a copy of this amendment. An original hardcopy version of the signed unilateral amendment is also being mailed to you for your records. For a few agencies, this amendment contains funding on a new Profile ID which requires agency signature (Chuck has not yet signed these amendments). As always, amendments that are highlighted yellow require you to print and sign two hardcopies and mail them back to **Matt Marcum** at the address below by June 6th, if possible. Once DPH receives the necessary documents, the contract will be counter-signed and one fully executed copy will be returned to you.
