## **New Unilateral Amendment Now Available for June 2016**

A new unilateral amendment has been added to your **2015** Consolidated Contract. Your amendment includes funding for the Asthma Capacity program (Profile 155072) or the Preparedness program (Profile 155015 or 155050).

To download a copy of your unilateral amendment, please open the [2015 Consolidated Contract Overview](#) spreadsheet and click on the most recent amendment. Because this amendment is simply adding funds to an existing Profile, there is no need for you to sign or return a copy of this amendment. An original hardcopy version of the signed unilateral amendment is also being mailed to you for your records.

Please note that GAC and the [2015 Consolidated Contract Overview](#) spreadsheet have been updated to reflect the additional funding resulting from this amendment.

If you have any questions regarding the Consolidated Contract process, please direct them to [Matt Marcum](#) or 608-266-5318. Program specific questions regarding the Asthma Capacity program may be directed to [Cris Rameker](#), Preparedness questions may be directed to [Lisa Kelly](#).

Thank you,
