New Consolidated Contract Amendments for December

A new amendment to your 2015 Consolidated Contract is now available. We are issuing new funds for the following programs: Preventive Health and Health Services (PHHS) (Profile 159220), Environmental Public Health Tracking (Profile 155078), Asthma Capacity (Profile 155072) and/or BRACE (Profile 150500). Please note that GAC and the [2015 Consolidated Contract Overview](#) spreadsheet have been updated to reflect the additional funding resulting from this amendment.

To download a copy of your new amendment(s), please open the [2015 Consolidated Contract Overview](#) spreadsheet and click on your latest amendment (any amendment highlighted yellow needs to be signed and submitted). Once you've opened and reviewed the amendment, please print and sign two hardcopies and mail them back to **Matt Marcum** at the address below by January 8th if possible. Once DPH receives the necessary documents, the contract will be counter-signed and one fully executed copy will be returned to you.
