C Context	F Data Source for Measurement	

1.

A. Template Objective 1 - Alcohol Prevention

By August 31, 2014, the [Insert name of LHD/Tribe] will implement [insert number] evidence based strategies to change community policies and norms related to alcohol use.

B. A report entered into an electronic data collection tool that describes:

1. Description of strategies implemented and outcomes measured

2. Challenges or barriers to success

3. Actions to address challenges

4. Indicate and describe if Prevention funded activities were used to obtain additional funding, donations or in-kind contributions

C. Describe why this objective was chosen and the selected outcome measure(s).

C.

D. CDC strongly encourages Preventive Health and Health Services Block Grant funds be used only on evidence based strategies, best practices or promising practices. Describe the strategies/practices to be used and identify the associated web links as available. Potential links to strategies for this objective include but are not limited to:
