VIDEO WATCH PARTY

GCPD Video Series Documents Barriers to Healthcare for People with Disabilities

GCPD is hosting a Watch Party for the #Access4All video project, which highlights testimonials from people with disabilities and their caregivers about the physical and communication barriers experienced in healthcare settings. It is critically important that we listen and learn from the experiences and stories of individuals with disabilities, so that Wisconsin can continue to be a strong leader in offering the best quality of health care to all citizens.

Thursday, May 19, 2022, 3:30-5:00 PM

Join the Watch Party via [Zoom](https://dhs.wi.zoomgov.com/j/1614298153) (<https://dhs.wi.zoomgov.com/j/1614298153>)
or by phone (669) 254-5252 with Meeting ID: 161 429 8153.

During the Watch Party, the audience will view videos from GCPD's #Access4All video project, learn about communication and other tools available to address barriers in healthcare settings in the Emergency Preparedness Folder, and participate in a facilitated discussion about the videos and challenges faced by people with disabilities in healthcare settings.
