Discuss Federal and State Legislative Updates and WI Budget Items

 - Update on Texas v. Kennedy: States Withdraw Constitutional Challenge to Section 504.
 - Shared about State Bill 152 / Assembly Bill 176 that removes income requirements for Alzheimer's Family and Caregiver Support program (AFCSP).  - The Executive Committee discussed the need to continue to advocate for line items that would improve programs for people with disabilities.

- DHS Staff Support shared about Department of Energy's (DOE) proposed rule to rescind certain Section 504 accessibility regulations. Some of the removed provisions may seem redundant because they overlap with the ADA and ADA accessibility guidelines (ADAAG). However, there were some concerns because removing some sections would weaken key protections for people with disabilities.
