#### **About the Governor's Committee for People with Disabilities**

The Governor's Committee for People with Disabilities (GCPD) was established per Wisconsin Statute 14.019, and pursuant to Executive Orders No. 37 (12/2/1983), No. 241 (1/20/1995), No. 150 (1/26/2015), and No. 6 (1/28/2019). GCPD is dedicated to enhancing the health and general well-being of people of all ages with disabilities in Wisconsin. GCPD is unique as it is the only Governor appointed committee charged to be inclusive of the needs of all people and all disabilities. The GCPD shall consult with and advise our Governor and state agencies on legislation, programs, policies, and issues affecting people with disabilities in all aspects of our society.

GCPD shall encourage local, state, and federal agencies to: improve educational and employment opportunities; increase access to appropriate healthcare, transportation, and housing; and eliminate any and all barriers that preclude equal opportunity and full inclusion. In order to promote a more open dialogue between Wisconsin citizens and their government, the GCPD shall provide an opportunity at each meeting for the public to comment on issues affecting people with disabilities.
