

Health Maintenance Organizations Update

Makalah Wagner

DHS contracts with HMOs (health maintenance organizations) to provide BadgerCare Plus and Medicaid SSI services to enrolled members. HMOs must apply to the Department to become a participating HMO, and then must agree to the contract terms and payment rates issued by the Department. The payment rates are developed on a calendar year basis, and the contracts typically operate on a two-year basis (current contract is 1/1/14-12/31/15).

Currently, there are 17 BadgerCare Plus HMOs delivering services to children, families, pregnant women, and childless adults; and there are 9 Medicaid SSI HMOs delivering services to adults who are elderly, blind, and/or disabled. Approximately 69% of BadgerCare Plus and Medicaid SSI members statewide are enrolled in a participating HMO, and that number is increasing with the gradual enrollment of the childless adults members.

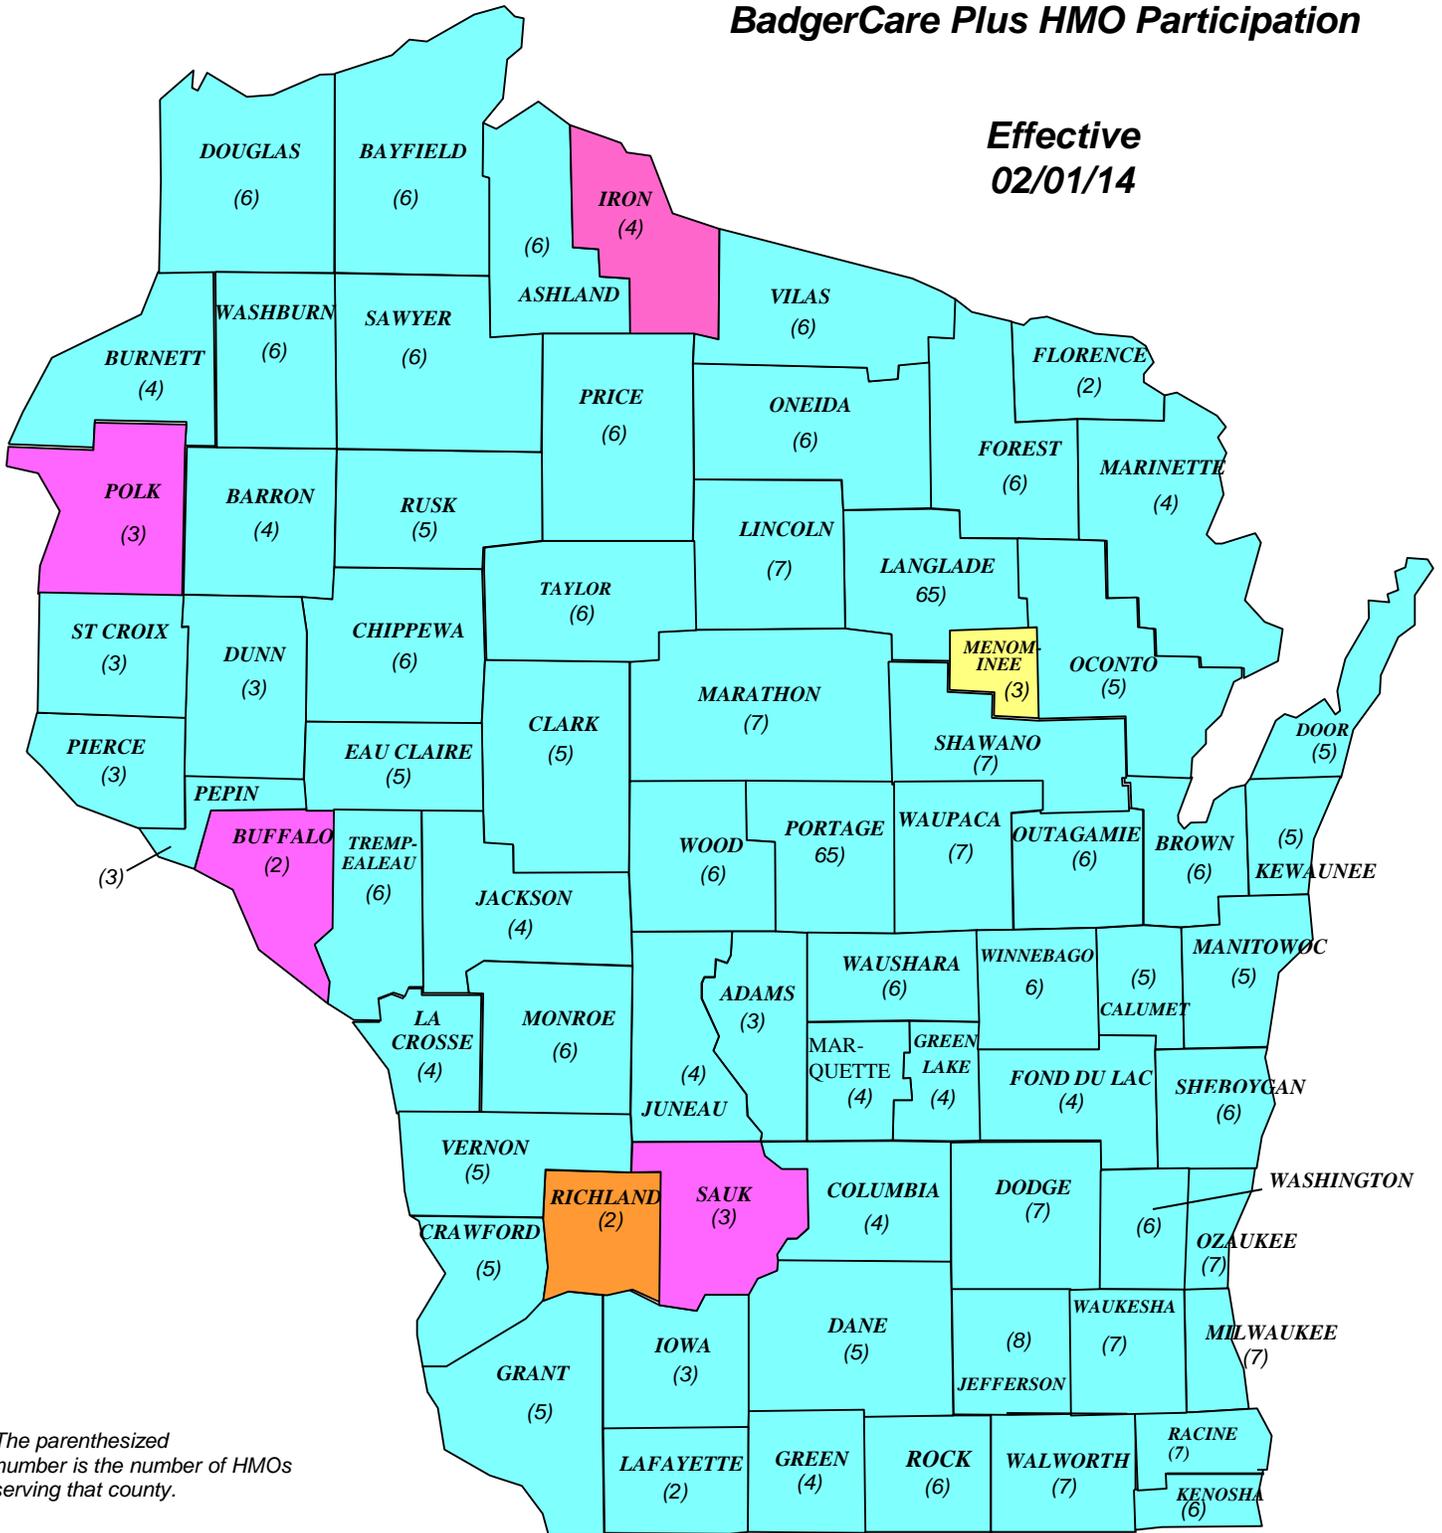

ForwardHealth Resources:

Each map (SSI or BC+) lets counties know how many HMOs are in their county or region, and the grid shows which HMOs participate in each county. The last link (Monthly HMO Enrollment Reports) shows each HMO's enrollment level in aggregate or by county. This is all found on ForwardHealth under Managed Care under Reports.
