

# Mainframe Notices to Web

---

January 18, 2018

Income Maintenance Advisory Committee (IMAC) Meeting

# Goal

- Move as many letters out of mainframe as possible
- Create an easier avenue to view and send letters
- Allow letters to be viewed in CWW Client Correspondence History
- Automatic storage to ECF

# Expected Benefits

- Move relevant notices from mainframe to CWW
- Reduce reliance on mainframe print technology
- Combine similar notices if possible
- Remove obsolete notices
- Modernize notices
- Continued preparation for modernizing infrastructure, moving away from mainframe technology.
- Save on printing costs

# How Did We Choose the Letters to Move?

- Report that provided count of times a letter was generated for the last 2 years, (some as far back as 2009)
