(C) What is the source of the non-Federal share of the transportation payments?

- (D) The State assures that no agreement (contractual or otherwise) exists between the State or any form of local government and the transportation broker to return or redirect any of the Medicaid payment to the State or form of local government (directly or indirectly). SECTION 3 – SERVICES: GENERAL PROVISIONS

The manager will operate a call center located in Wisconsin that takes requests from members, their families or healthcare providers, affirming the member's eligibility, gate-keeping the member's need for NEMT, determining the correct mode of transportation and affirming that the requested destination is a participant in the State's Medicaid program.

The manager will host quarterly advisory committee meetings and conduct periodic satisfaction surveys.

No-shows. The transportation manager will contact the case manager or social worker to ensure the member attends all scheduled treatments and services. Transportation will not be denied, although certain days of the week may change if, for example, case notes indicate that a member frequently misses appointments on a particular day of the week.
