42 CFR 438.104 X The State enrolls recipients in MCO, PIHP, PAHP, and/or PCCM programs. The State assures that it complies with 42 CFR 438.104(c) to consult with the Medical Care Advisory Committee in the review of marketing materials.

1902(a)(73) SSA Tribal Consultation Requirements

Section 1902(a)(73) of the Social Security Act requires a State in which one or more Indian Health Programs or Urban Indian Organizations furnish health care services to establish a process for the State Medicaid agency to seek advice on a regular, ongoing basis from designees of the Indian Health Service (IHS), including programs operated by Indian tribes under P.L. 93-638, and Urban Indian Organizations concerning Medicaid matters having a direct impact on these IHS and Urban Indian Organizations. Please indicate below whether the State, as part of its consultation process, appoints an advisory committee or appoints a designee of the IHS and Urban Indian Organizations to the State medical care advisory committee, both of these, or something else.

State appoints a tribal advisory committee.

State appoints a designee of the IHS and Urban Indian Organizations to the State medical care advisory committee.

Other. Specify:

Wisconsin Department of Health Services staff will meet with tribal Health Directors and designees of Indian Health Service and Urban Indian Organizations during the last month in each quarter to discuss state plan amendments before they are submitted to CMS. A Consultation Implementation Plan is maintained which documents what the State and the tribes have agreed to do for the next period.

Not applicable because the State does not have at least one Indian Health Program or Urban Indian Organization furnishing health care services.
