

Bright Futures: Promoting Healthy Sexual Development and Sexuality

May 18, 2011 from 10:00 AM to Noon

Purpose: Provide support for the use of **Bright Futures 3rd Edition** as a MCH program reference document for the public health assurance role in local practice. Information about work to promote child development and mental health in Wisconsin will be highlighted. The session will describe the roles, messages, and materials to support efforts of public health professionals and partners to provide quality services to children, youth, and their families as it relates to promoting healthy sexual development and sexuality of children and youth.

PRESENTERS:

- Murray L. Katcher, MD, PhD, Chief Medical Officer for Community Health Promotion, Wisconsin Department of Health Services
- Paul Grossberg, MD, Clinical Professor Emeritus, Department of Pediatrics, University of Wisconsin School of Medicine and Public Health
