

Wisconsin Music & Memory Implementation Survey Results

WISCONSIN

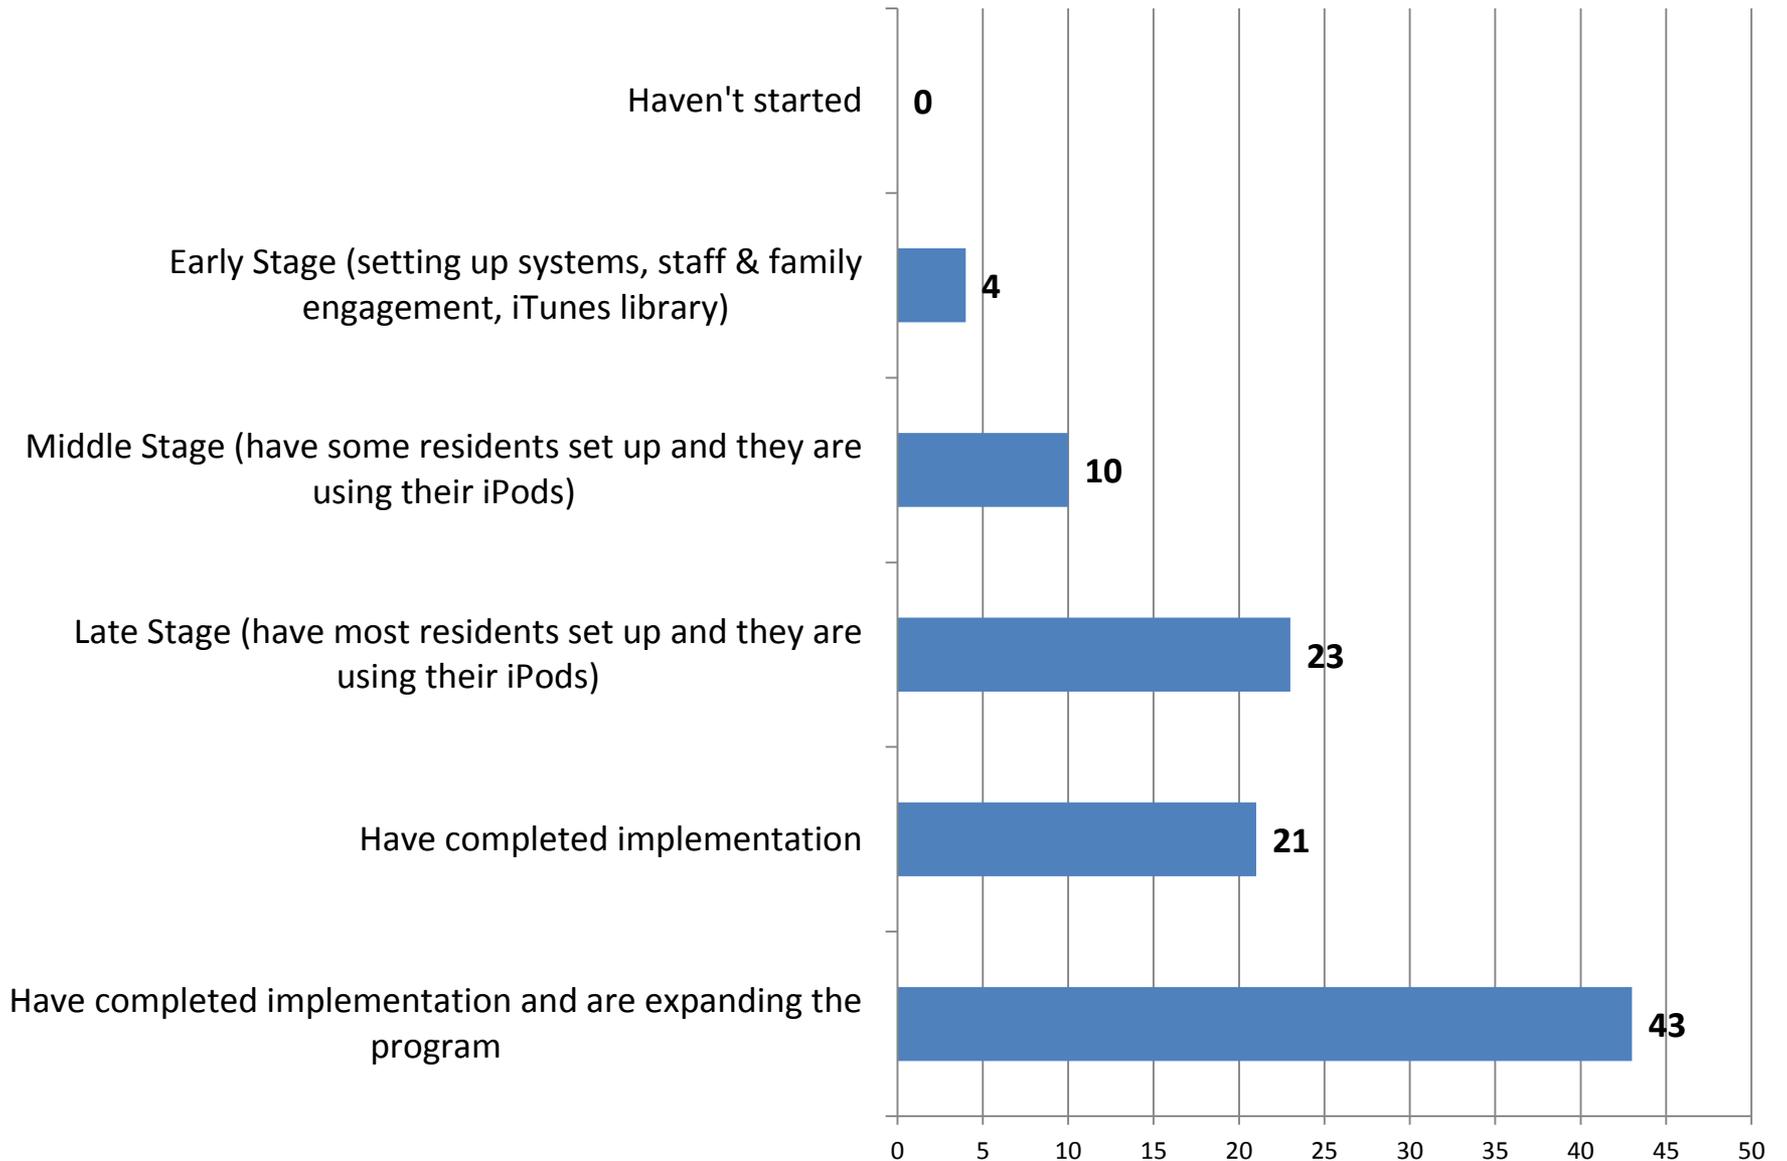

MUSIC & MEMORY PROGRAM

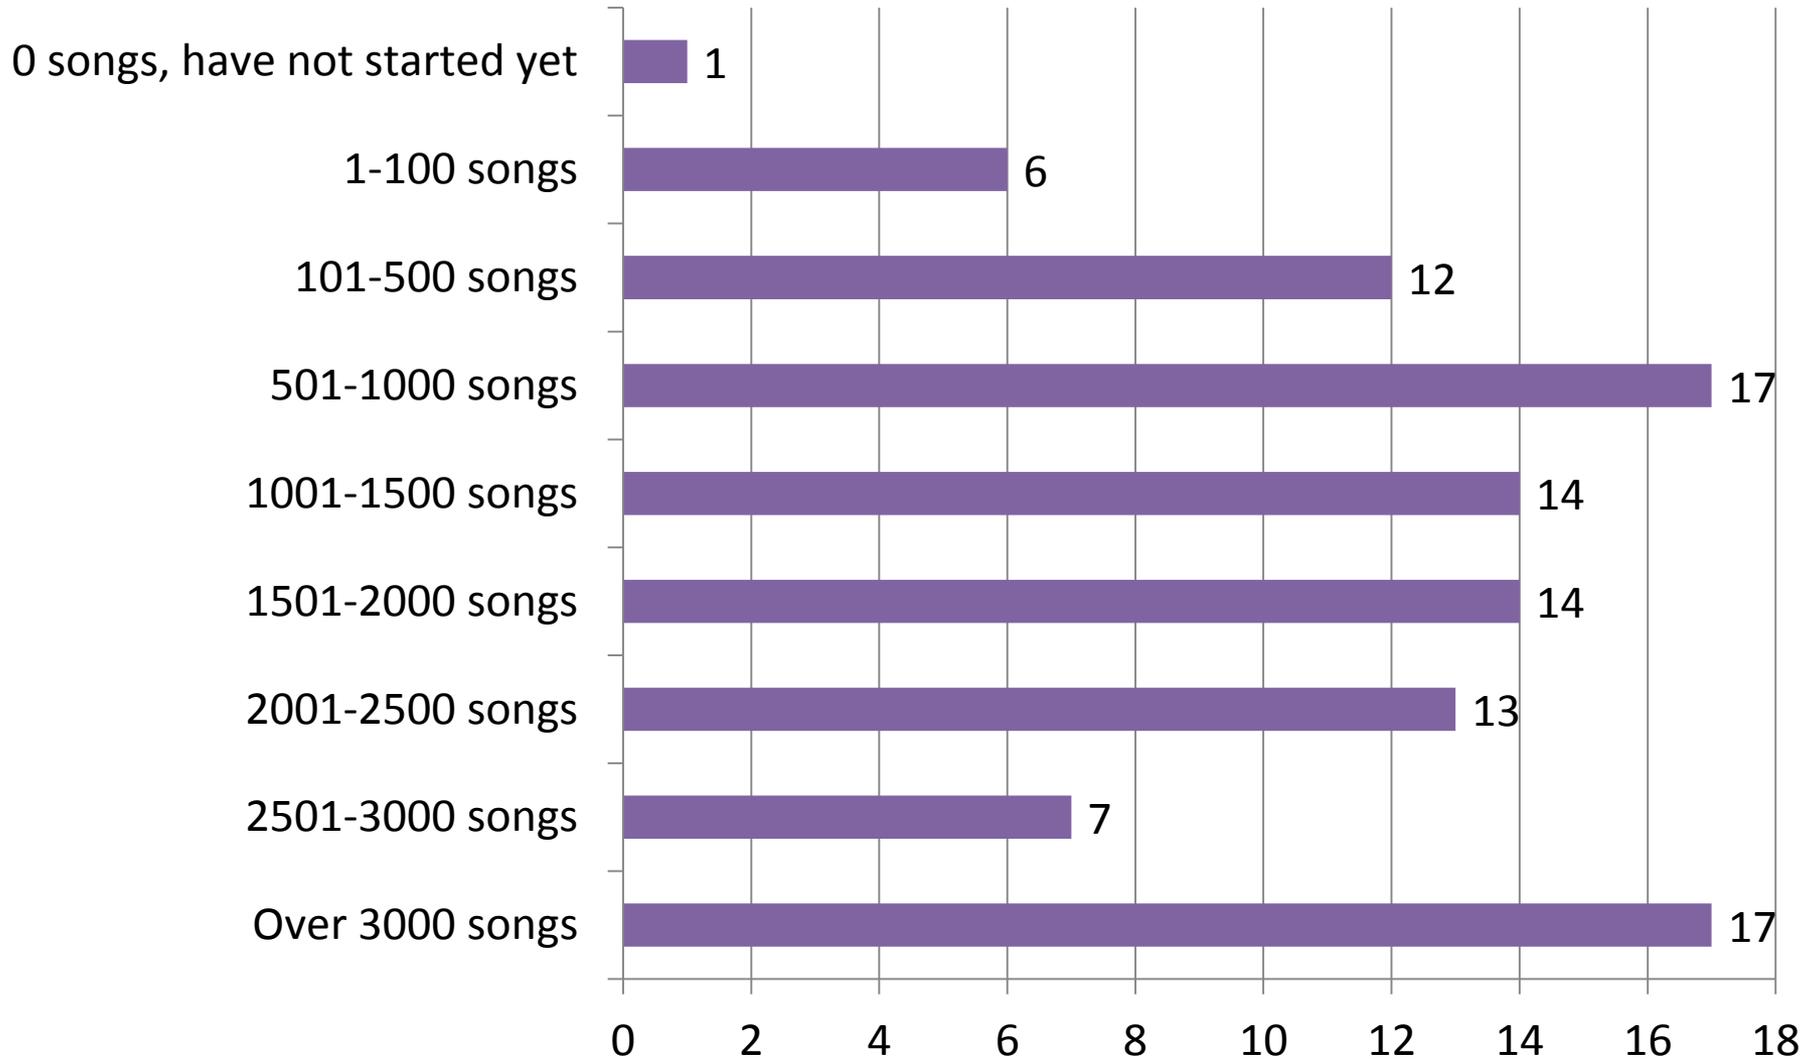

Phase I Six-Month Survey July 2014

Webinar September 4, 2014

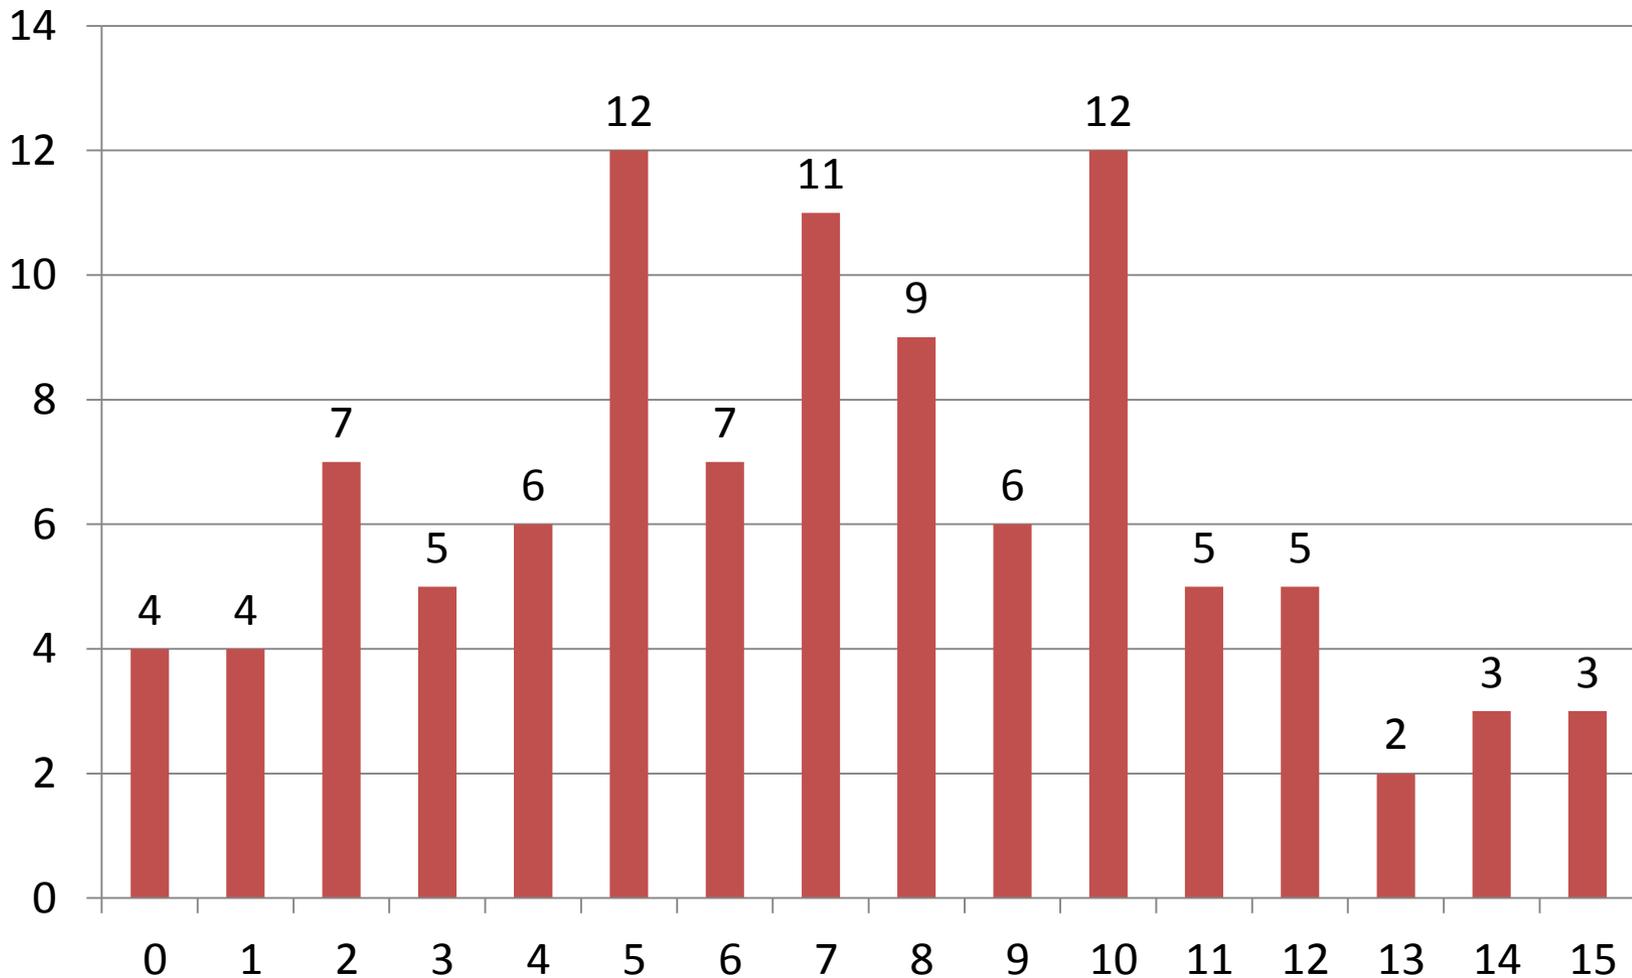

2. Rate where you are in the WI Music & Memory implementation.

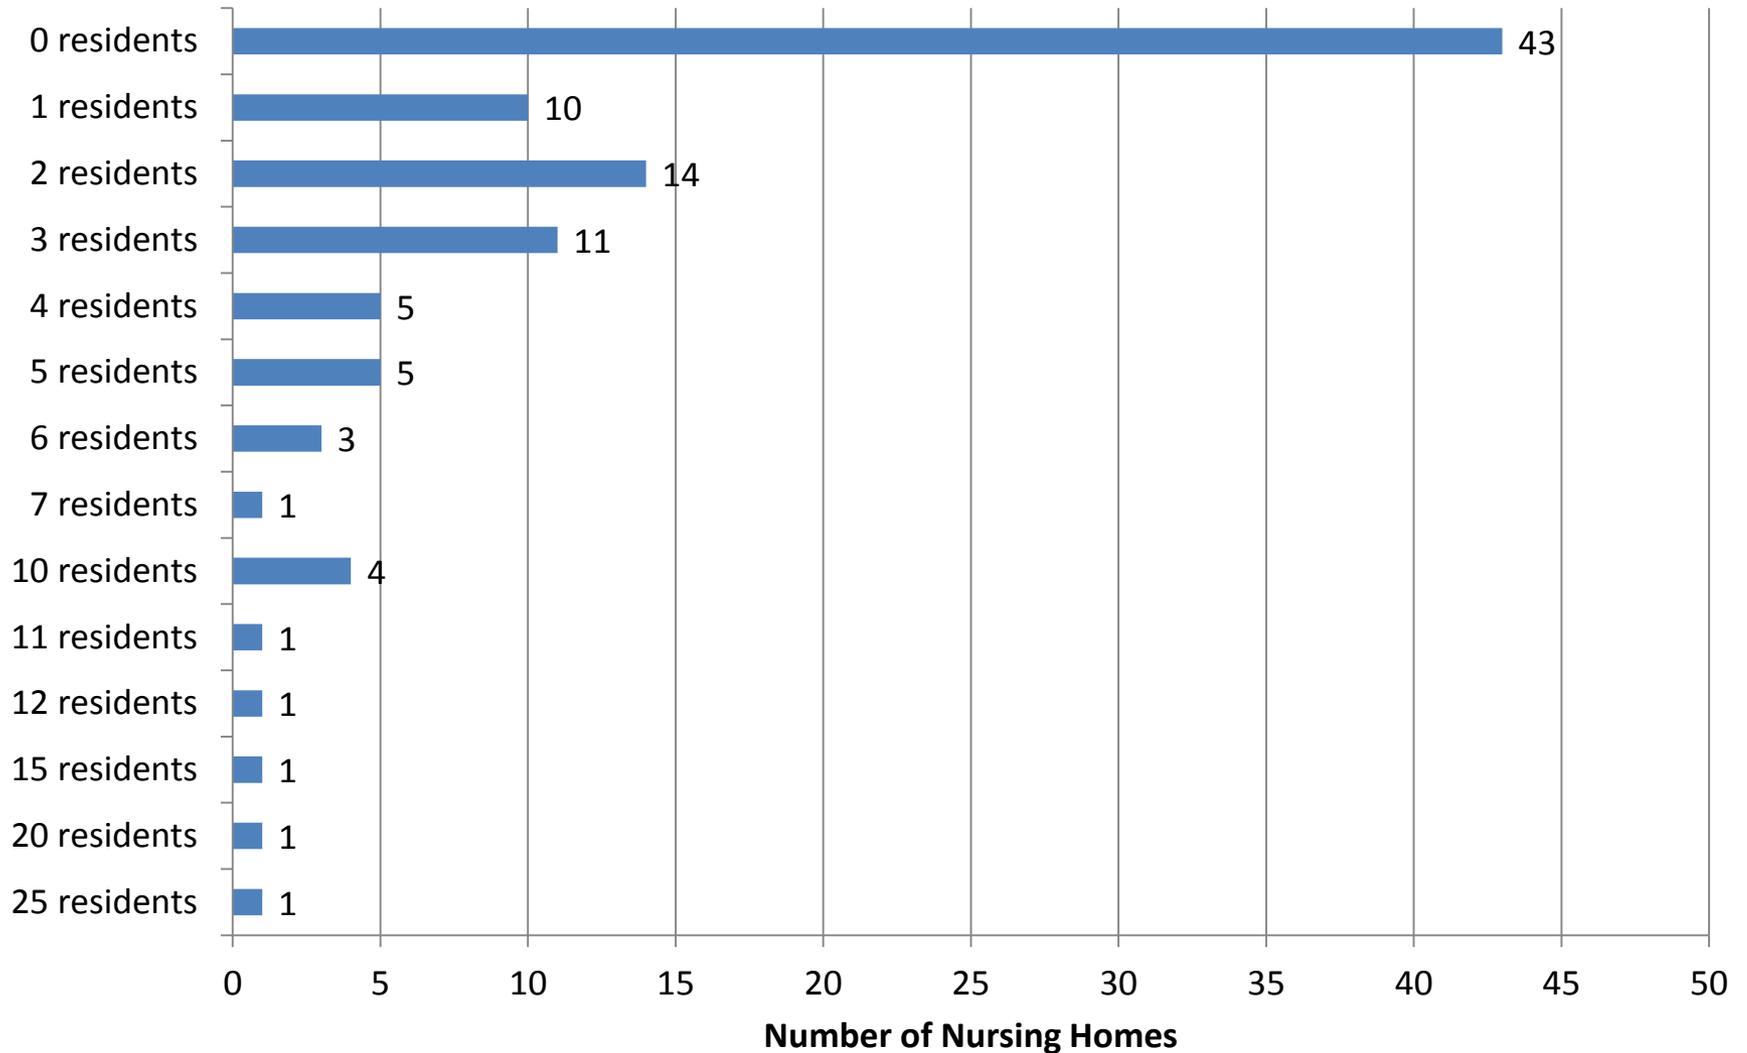

3. Approximately how many songs do you have in your iTunes library?

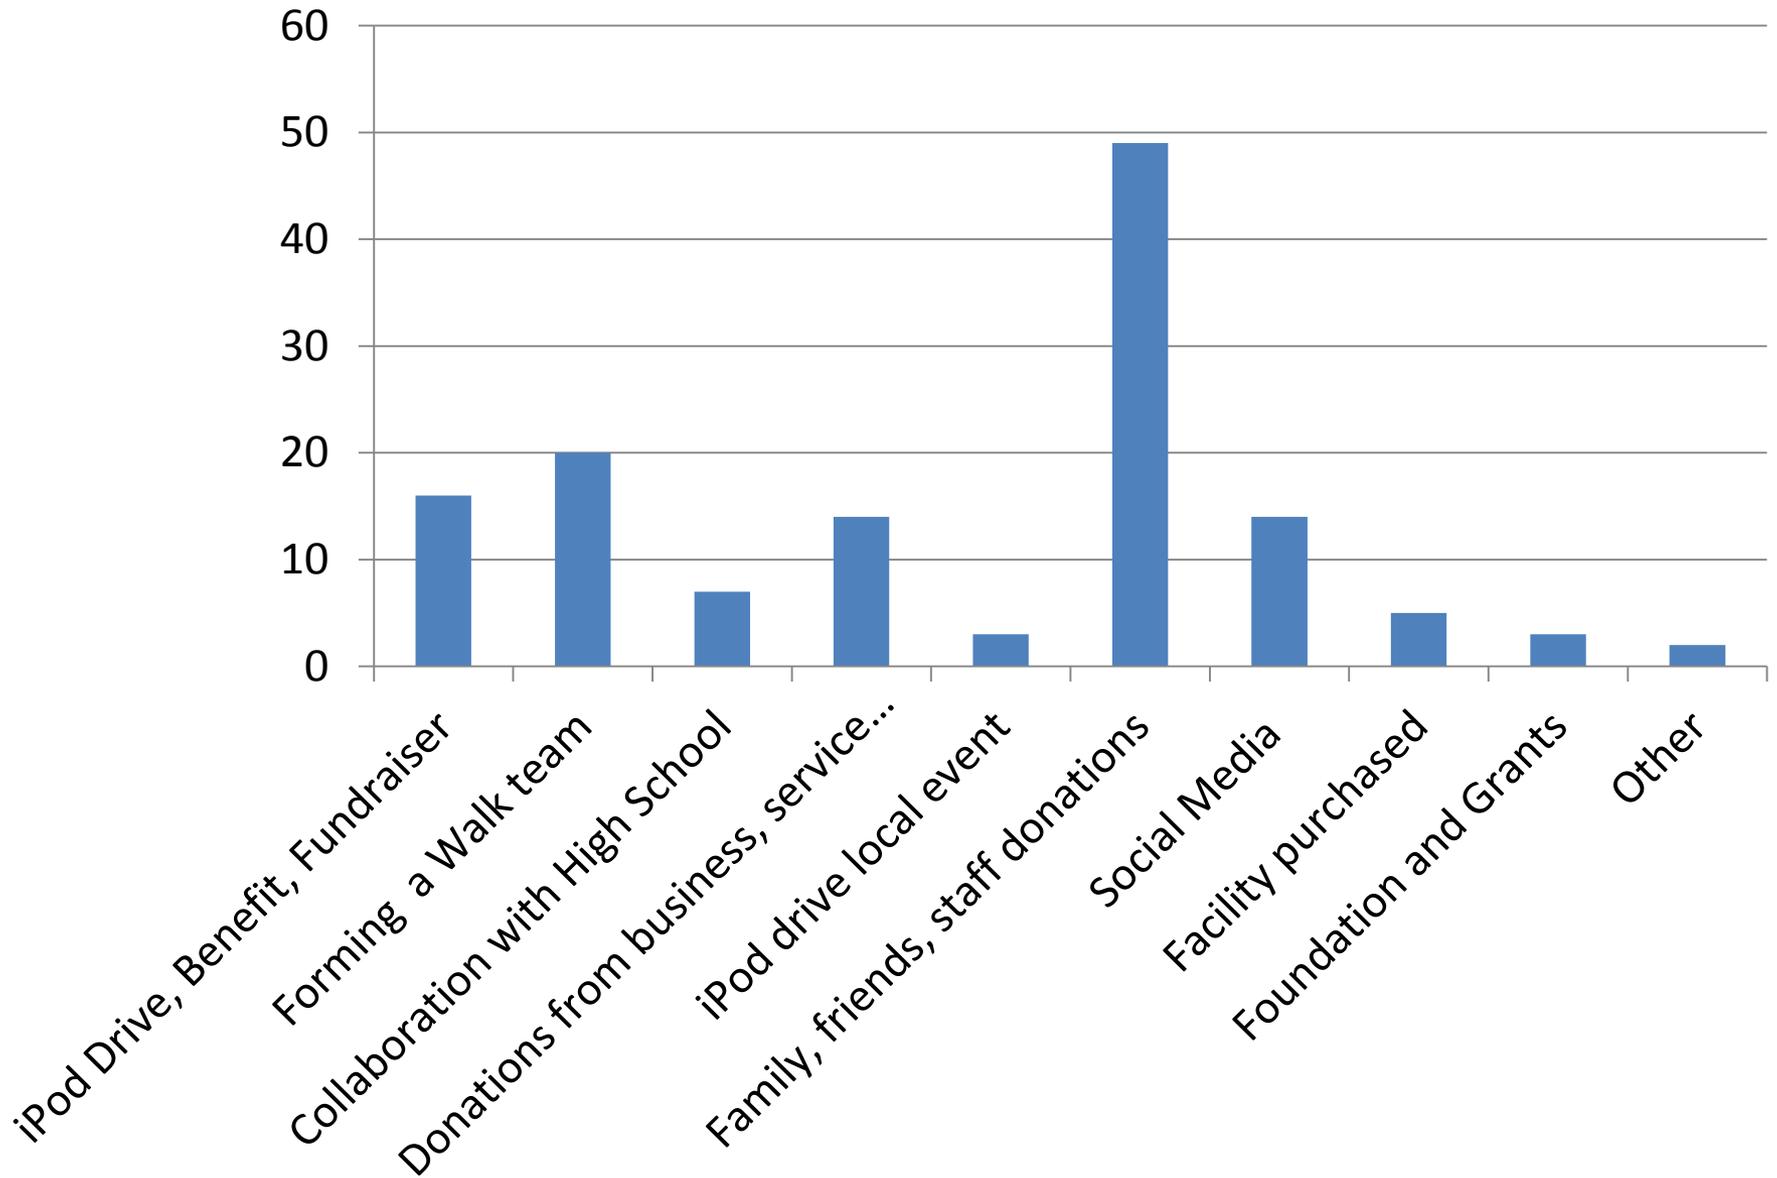

4. Of the 15 residents in the WI Music & Memory Program, how many have shown improvement and are now calmer, more relaxed, less anxious, more engaged or happier?

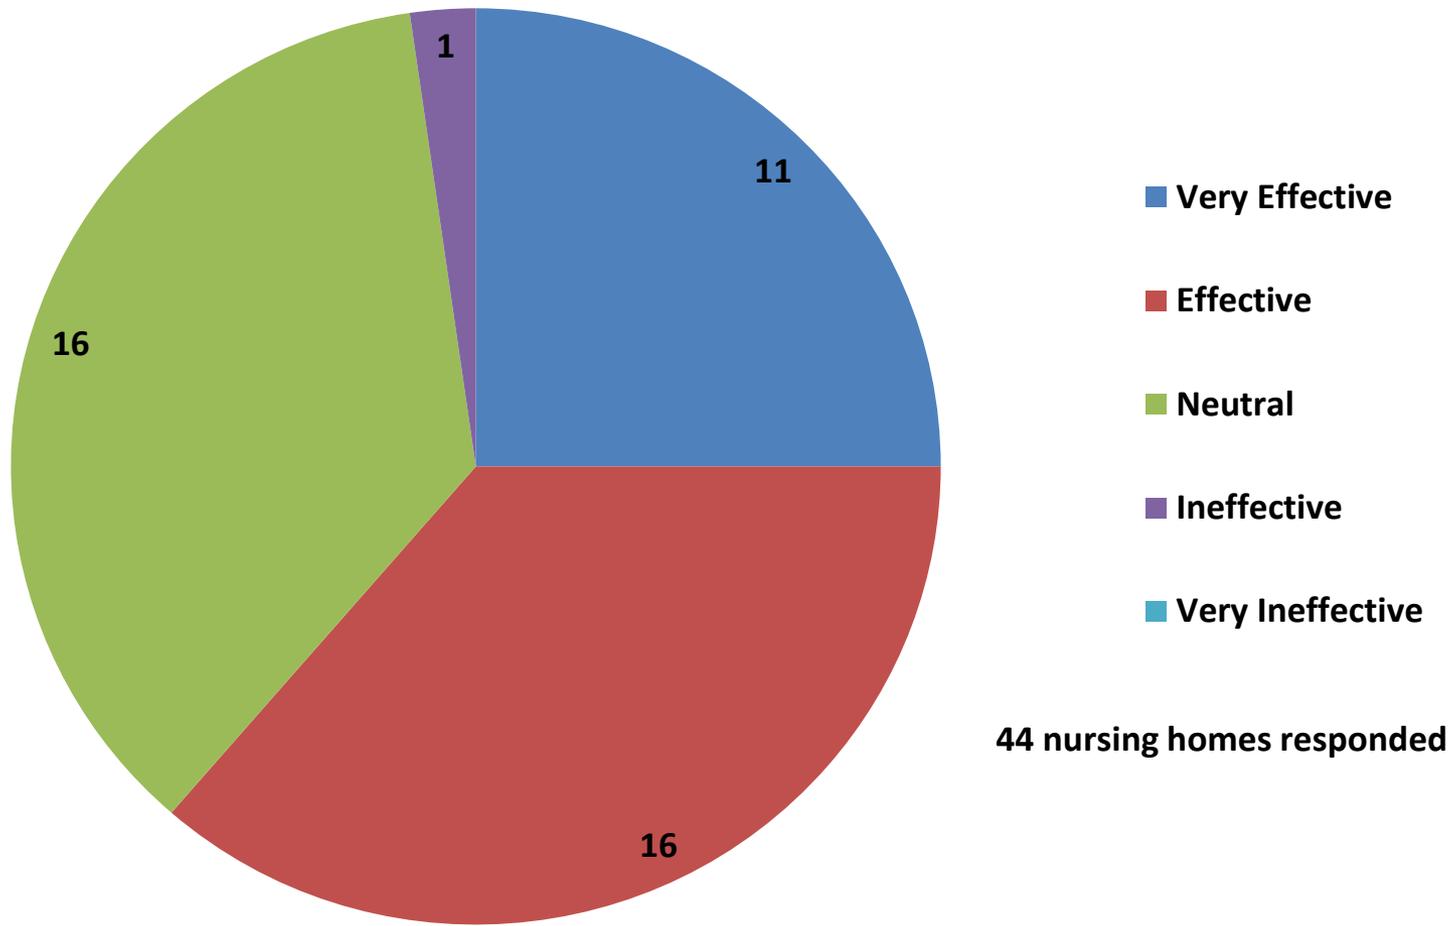

7. Enter the number of new residents added to your WI Music & Memory Program beyond the original 15 (please enter zero if you have not expanded).

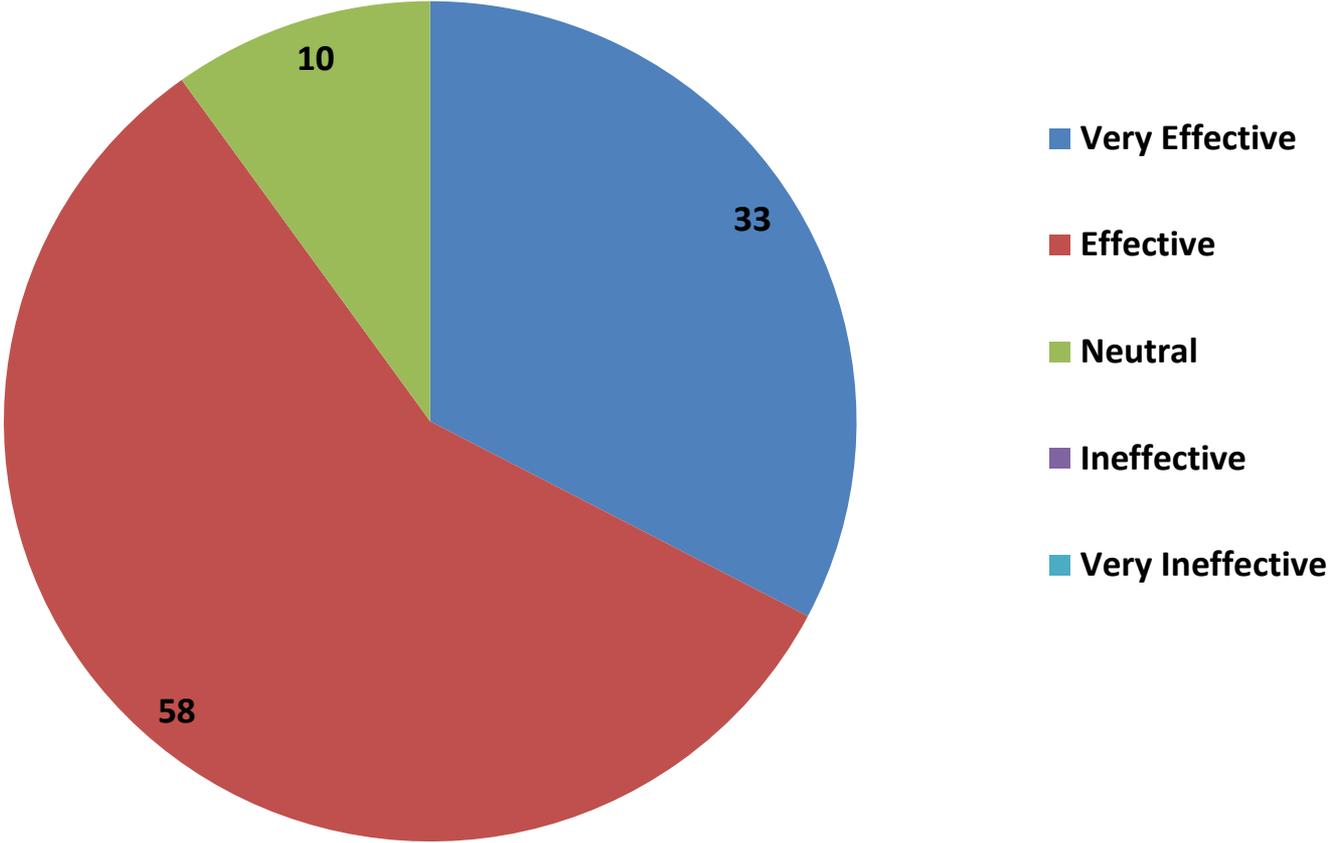

8. How have you expanded your WI Music & Memory program? 66 responders

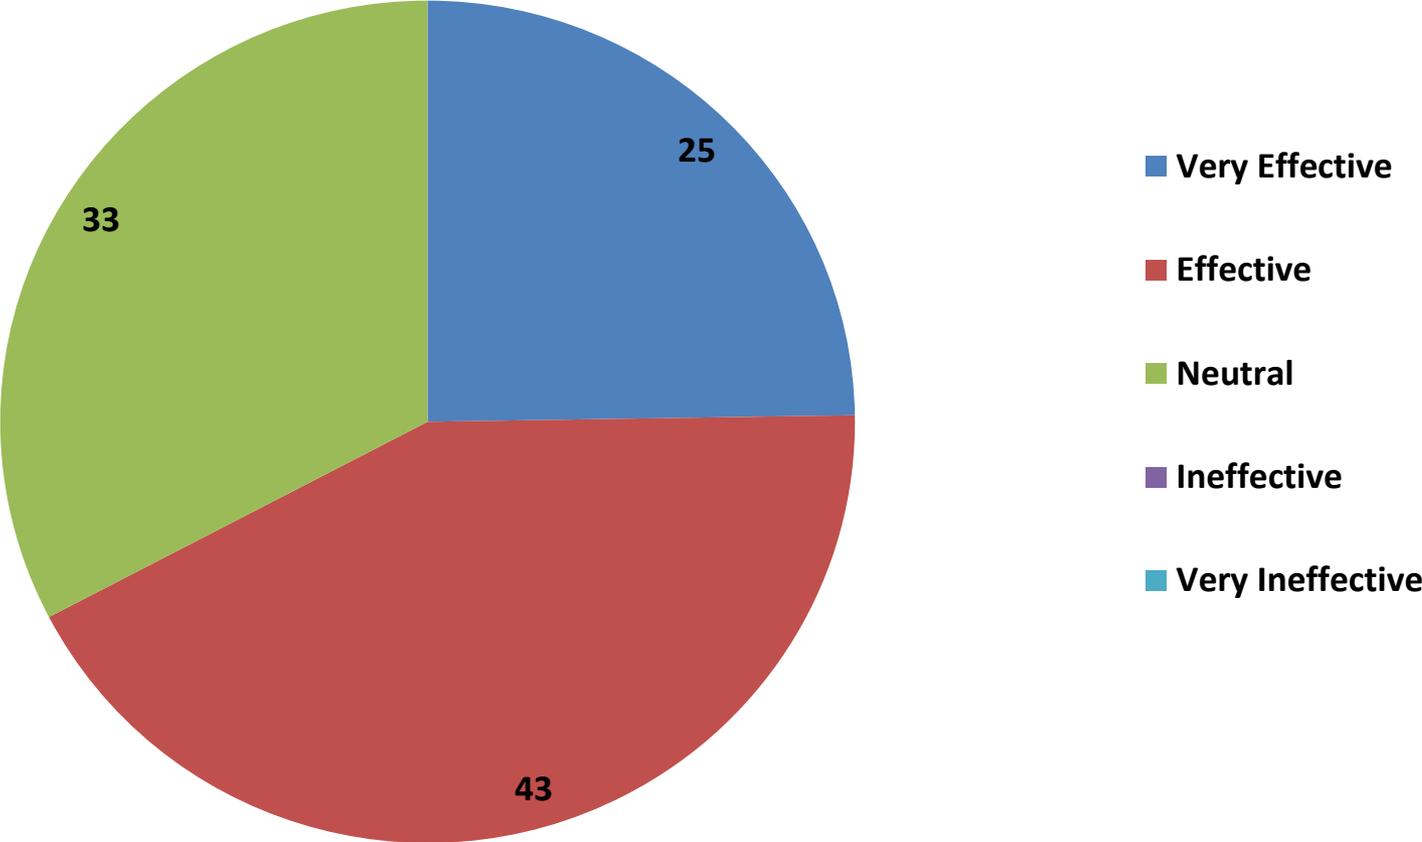

10. If you contacted media, and they provided coverage, how effective was the coverage in raising awareness about your facility and the WI Music & Memory Program?

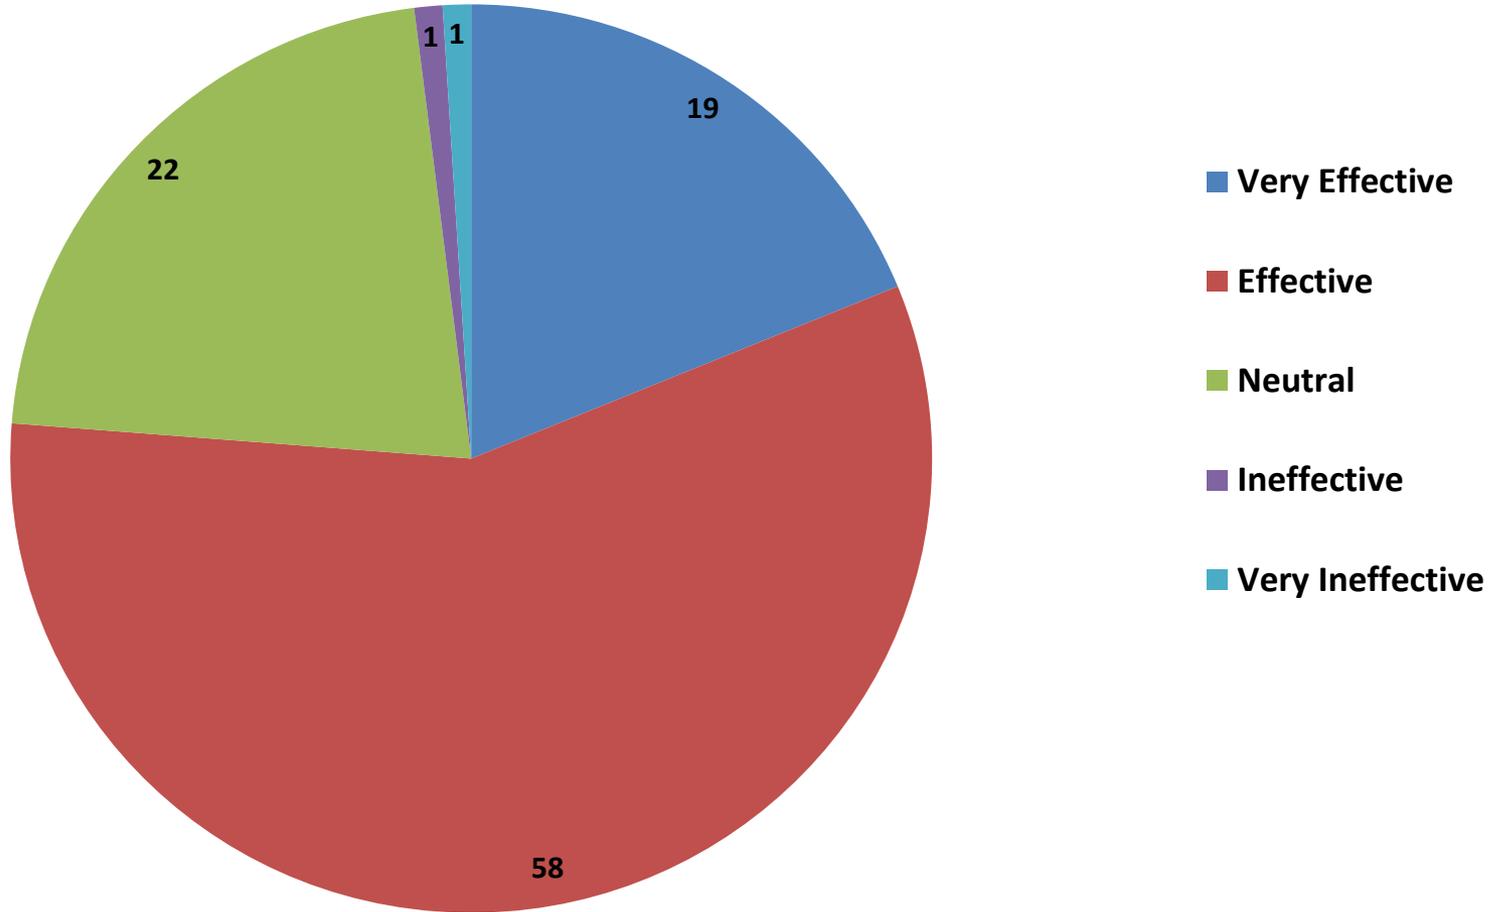

11. Rate the overall effectiveness of the WI Music & Memory Program for the participating residents.

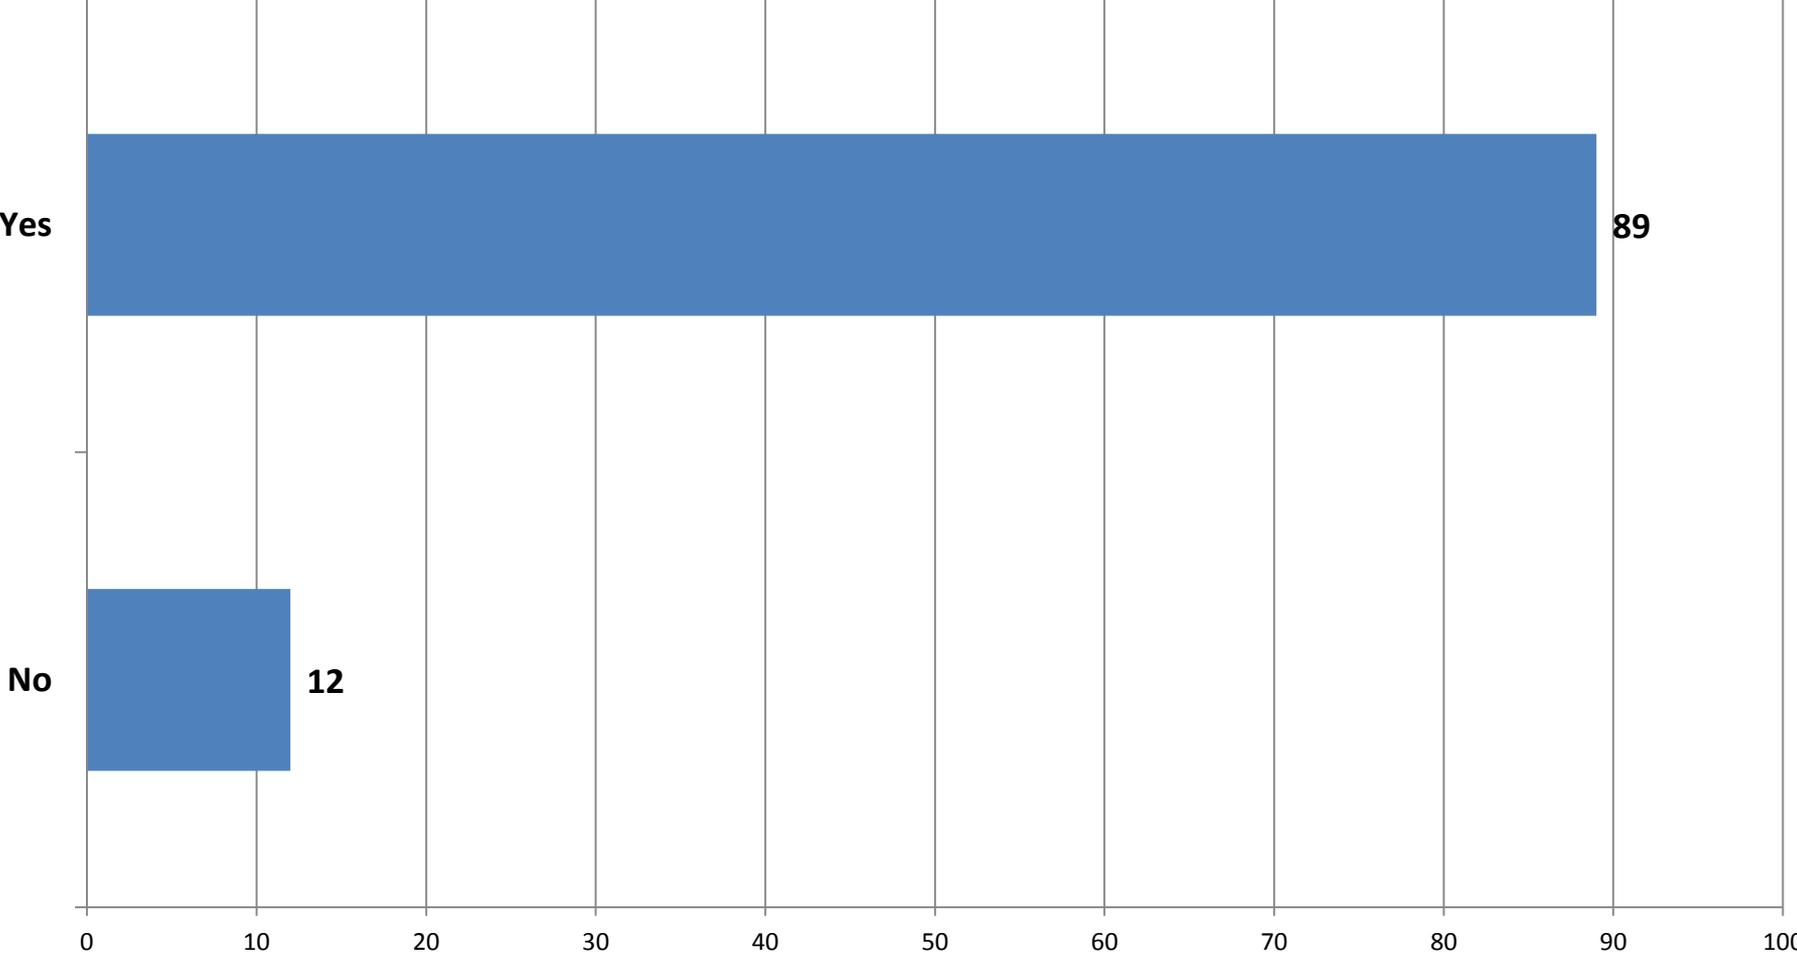

12. Rate the overall effectiveness of the WI Music & Memory Program for the participating families/friends.

13. Rate the overall effectiveness of the WI Music & Memory Program for the facility staff.

14. Have you participated in the monthly WI Music & Memory support webinars hosted by DHS staff?

15. How effective have the WI Music & Memory support webinars been?
