

## Who can I call when I have questions or need help?

Northern Regional Center  
Children and Youth with  
Special Health Care Needs

[www.co.marathon.wi.us/cyshcn.asp](http://www.co.marathon.wi.us/cyshcn.asp)

| 866-640-4106

The Regional Centers offer free, confidential help to find information, identify services, connect to community resources, and navigate health care and service systems. The Regional Center helps to answer your resource questions about children and youth with special health care needs, such as Autism Spectrum Disorders, including:

- Early identification and screening
- Diagnosticians
- Therapy providers
- Health care benefits and waivers
- Paying for what you need
- Respite and child care options
- Educational support and special education
- Recreational opportunities
- Support groups for parents, siblings, or individuals with ASD
- Transition to adult health care

The Northern Regional Center serves children up to the age of 22 in the counties of Ashland, Bayfield, Florence, Forest, Iron, Langlade, Lincoln, Marathon, Oneida, Portage, Price, Sawyer, Taylor, Vilas, and Wood.

### Wisconsin First Step

Providing a 24-hour information and referral hotline, and an online resource database, for families and providers working with children and youth with special health care needs, including Autism Spectrum Disorders.
