^{*} Total Equity may include restricted and unrestricted equity, and availability of equity for investment in or support of current year operations should not be assumed.

The DHS presentation of financial results is a subset of the full financial statement reports from the MCOs and reviewed for reasonableness. The MCO financial reporting is on a generally accepted accounting principals (GAAP) basis. Financial reporting is technical in nature and no party should use, or make assumptions about, the results without a thorough understanding of the program and health care industry financial reporting.
