Information cannot be entered in the *ICN* field. ForwardHealth will automatically assign an Internal Control Number (ICN) when the claim is submitted.

- 1. The *Provider ID* field will be populated with the National Provider Identifier (NPI) under which the user is logged in.
- 2. Enter the member's ID in the *Member ID* field.

Note: After entering the member's ID, click anywhere on the gray area of the page. The *Last Name*, *First Name*, *MI*, and *Date of Birth* fields will populate with the member's information.

- 3. Enter the provider's internal number assigned to the patient's account in the *Patient Account* # field.
- 4. Enter the NPI of the provider performing the services in the *Rendering Provider ID* field if the ID is different from the ID in the *Provider ID* field.
- 5. Enter the NPI of the provider, or providers, who referred the member for services in the *Referring Provider 1* and *Referring Provider 2* fields if applicable. Users may enter an NPI in the field, or search for the NPI using the adjoining Search link.

Note: If a field exists at both the header and detail level, enter the information in one or the other, but not necessarily both. The header will apply automatically to all details. Enter information at the detail only if different than the header value for these details.

- 6. If the provider is indicating an unlisted, or not otherwise classified, procedure code, enter a description of the service provided in the *Notes* field. In addition, enter information in this field for manual pricing purposes.
- 7. The *Place of Service Code* field defaults to 11. If the place of service (POS) is not 11, enter another code or search for a code.

d. Click the applicable POS code. The Place of Service Code search panel will close, and the selected code will populate the *Place of Service Code* field on the Dental Claim form.

Note: The same procedure can be used with other search links on the Claim form.

- 8. The *Emergency* field defaults to No. Select **Yes** from the Emergency drop-down menu if the charges are the result of an emergency procedure.
- 9. The Other Insurance Indicator drop-down menu is not editable on this panel, but after the claim is submitted it will populate with Y if Y is selected from the OI Circumstance drop-down menu on the Other Insurance Header Information panel or P if other insurance paid on the claim.
- 10. Enter the referral number in the *Referral Number* field. The referral number is a unique identifier that can be used to locate the records of a submitted claim.
- 11. Enter the total charge for the service(s) being provided to the member in the *Total Charges* field.

12. Enter the amount paid by a commercial insurance plan in the *Other Insurance Amount* field if other insurance (OI) information is entered in the Other Insurance Header or Detail Information panels.

Information cannot be entered in the *Total Payable Amount* field. The total amount paid will be automatically calculated after the claim is submitted.

13. The Net Difference is the paid amount differences between the original ICN and adjustment ICN. This amount is displayed after an adjustment is processed to completion (paid/deny) for an ICN.

3.1.1 Diagnosis Panel

Diagnosis codes are not required for dental claims; however, if desired, providers may enter up to four diagnosis codes per dental claim.

1. Click **Diagnosis** at the bottom of the Dental Claim panel.

The Line Number field is auto-populated with the number of the detail currently being added.

- 1. Enter the applicable procedure code, or click **Search** to the right of the *Procedure* field to search for a code.
- 2. Enter the letter or number that identifies the tooth for which the provider rendered services in the *Tooth* field. A letter indicates a temporary tooth; a number indicates a permanent tooth.
- 3. Enter the area of the mouth to which the procedure on the claim is related in the *Area of Oral Cavity* field, or click **Search** to the right of the field to search for the code.
- 4. Enter the number (1, 2, 3, or 4) of the corresponding diagnosis field from the Diagnosis panel to indicate which diagnosis (or diagnoses) applies to this detail.
- 5. Enter the date the service was rendered in the Date of Service field.
- 6. Enter the relevant POS code in the *Place of Service* field if the code is different from the POS code entered at the header level. Generally, only enter a number if services on the claim were performed at two or more locations and it is necessary to distinguish between these services at the detail level.
- 7. Enter the NPI of the provider performing the services in the *Rendering Provider ID* field if the rendering provider ID is different from the ID the user logged in with and the ID was not entered at the header level. Generally, only enter a number if there are two or more rendering providers on the claim and it is necessary to distinguish between the providers at the detail level.
- 8. Enter the number of units billed for the service in the Units field.
- 9. Enter the amount charged for the service provided in the *Charges* field.
- 10. Information cannot be entered in the *Status* and *Allowed Amount* fields. The *Status* and *Allowed Amount* fields will be populated when the claim is submitted. The *Status* field will

display the current status of the detail. The *Allowed Amount* field will display the amount Wisconsin Medicaid has allowed for the detail.

11. Click **Add** to add more details to the claim. Enter the necessary information for each detail added.

Providers may enter up to 50 detail lines per claim. Once 50 details have been entered, the Add button will be disabled until a previously added detail is deleted.

When finished adding details, the information for the last detail entered will be added to the top row when proceeding to another panel or clicking the Submit button.

To remove a detail line, complete the following steps:

- Select the desired row and click **Delete**. A dialog box will be displayed.
- Click **OK** to delete the specified row.

### **3.3 Other Insurance Detail Information Panel**

The Other Insurance Detail Information panel is used to enter OI-related information for the claim details. If any information is entered in the Other Insurance Detail Information panel, all information must be supplied, even if it seems similar to information entered in the Other Insurance Header Information panel.

Note: Other Insurance information should be added to only the header, or both the header and detail depending on how the individual carrier adjudicated the claim.

• If the other payer's Explanation of Benefits (EOB) to the provider contains detail-specific information, the information should be added to both the header and detail.

- If the other payer adjudicated the claim only at the header (no detail-specific information), the provider can only enter header information.
- If there is more than one other payer involved, it is possible for one payer to be entered only in the header and the other in both the header and detail depending on how the individual carriers adjudicated the claim.

To enter an OI detail:

1. If there is more than one carrier in the Other Insurance Header Information panel, scroll up to that panel and click the carrier for which to add the detail. The page will refresh and the carrier will be highlighted.
