What is HealthCheck?

HealthCheck (Wisconsin's Early and Periodic Screening, Diagnostic and Treatment program) is a preventive health checkup program for anyone under the age of 21 who is currently eligible for Wisconsin Medicaid or BadgerCare Plus.

Why should my child or I get a HealthCheck exam?

HealthCheck teaches you and your child how to prevent illness and can also find health problems early, before they become serious. (Remember, a healthy child is a happy child!) HealthCheck meets the physical exam requirements for programs such as Head Start, Child Care, or WIC (Women, Infants and Children Supplemental Food Program) and school physicals. A HealthCheck exam may also make you eligible for some services not normally paid for.

What if a health problem is found?

HealthCheck will help you make an appointment for any follow-up care or treatment. HealthCheck can also help you find a doctor or dentist if you need one.

What about transportation?

If you need transportation to your appointment, please contact the Non-Emergency Medical Transportation manager directly at 1-866-907-1493 (voice) or 711 (TTY).

Health Care Provider's Name and Phone Number

How do I get HealthCheck?

- STEP 1:** Call toll free 1-800-722-2295 (voice/TTY) to find your nearest HealthCheck provider. If you are enrolled in an HMO, call them for information on HealthCheck.
- STEP 2:** Make the HealthCheck appointment and go!
- STEP 3:** Follow the advice of your HealthCheck doctor, nurse, or dentist, and go to any follow-up care appointments.
- STEP 4:** Stay healthy; plan to go to all future HealthCheck exams.

Call toll free 1-800-722-2295 (voice/TTY) if you have any questions or problems with HealthCheck.
