INFORMATION FOR MARRIAGE APPLICANTS AND OFFICIANTS

- Applicants or officiants who have questions or concerns regarding the officiant’s authority to perform marriages in Wisconsin should seek legal counsel. Information as to the validity of any specific religious organization or any ordination process is not available from the County Clerk’s Office or from the State Vital Records Office.

- A marriage may be validly contracted in Wisconsin only after a marriage license has been issued by a county clerk, and only when the mutual declarations of the two parties to be joined are made before an authorized officiating person and in the presence of at least two competent adult witnesses other than the officiating person. If one of the parties is serving on active duty in the military, only one adult witness is required.

- The Wisconsin Marriage License/Marriage Certificate Worksheet has two sections: the marriage license, which is completed by the County Clerk; and the marriage certificate worksheet, which is completed by the officiant. Applicants must sign the marriage license section before the ceremony, preferably in the County Clerk’s Office.

- It is permissible to make and keep a copy of the Wisconsin Marriage License/Marriage Certificate Worksheet.

- If the Wisconsin Marriage License/Marriage Certificate Worksheet is misplaced or ruined, contact the issuing County Clerk’s Office immediately for instructions. Counties may charge a fee to replace the document.

- The couple will not automatically receive a certified copy of the Original Certificate of Marriage. Upon registration of the Wisconsin Marriage License/Marriage Certificate Worksheet, the couple may purchase certified copies of their Original Certificate of Marriage from any Wisconsin County Register of Deeds office or from the State Vital Records Office. Certified copies of the Original Certificate of Marriage may be needed for proof of name change, proof for insurance coverage, overseas travel, and other legal purposes. It is illegal to make copies of the Original Certificate of Marriage.

- Corrections to fields completed by the officiant can be made on a registered certificate and do not require a court order if the request is received by the State Vital Records Office within 365 days of the marriage. The Officiant Amendment Request form is available from the Register of Deeds office, the State Vital Records Office, or on the web at https://www.dhs.wisconsin.gov/forms/f01481.pdf.

- Corrections to the couple’s information can be made on a registered certificate if the request is received by the State Vital Records Office within 365 days of the marriage. Contact the County Clerk’s Office in the county where the marriage license was issued for information on requesting an amendment.
