DDB Medical and Psychological Consultant Opportunities

The Wisconsin DDB is recruiting for medical consultants and psychological consultants.

We are looking for specialists to join our team of consultants who review medical and collateral evidence to make disability determinations.

DDB consultants review chart notes and other documentation as part of the disability determination process and provide expert advice to examiner staff.

Medical consultants and psychological consultants work in the Madison office and collaborate daily on case impairments and outcomes.

Our consultants enjoy a healthy work-life balance. They have a flexible work schedule with optional weekend hours, no face-to-face patient contact or on-call duties, and a mostly paperless environment.

Please contact the Wisconsin DDB at: wi.infra.mc.coordinator.all@ssa.gov or 608-266-1565 to learn more about current opportunities.

This may be the perfect job for you!

DDB consultants are independent contractors for the State of Wisconsin who review medical records on Social Security and state Medicaid claims.

Benefits include:

- Competitive pay
- Opportunities for high-quality and productivity bonuses
- Flexible work schedule
- No direct patient care or contact

If you want more information, please email the Wisconsin DDB at: wi.infra.mc.coordinator.all@ssa.gov
