

Animal Naming

Introduction: "I'd like to ask a question to check your memory."

Instruction: "Tell me the names of as many animals as you can think of, as quickly as possible."

Procedure: Time for 60 seconds and record all responses.

If the person stops before 60 seconds, say "Any more animals?"

If the person says nothing for 15 seconds, say "A dog is an animal. Can you tell me more animals?"

- 1. dog
