Appendix G

Animal Naming

Introduction: “I’d like to ask a question to check your memory.”

Instruction: “Tell me the names of as many animals as you can think of, as quickly as possible.”

Procedure: Time for 60 seconds and record all responses.

If the person stops before 60 seconds, say “Any more animals?”

If the person says nothing for 15 seconds, say “A dog is an animal. Can you tell me more animals?”

1. dog
2. cat
3. cow
4. pig
5. sheep
6. horse
7. lion
8. tiger
9. cat
10. mouse
11. ant
12. spray
13. dandelion
14. bird
15. ______________________
16. ______________________
17. ______________________
18. ______________________
19. ______________________
20. ______________________
21. ______________________
22. ______________________

Scoring: Count the total number of animals (NOT including repetitions or non-animal words): ______________________
