## Public School District Immunization Rates, Wisconsin, 2022-2023 School Year

## Notes:

Parents provide student immunization records to schools. Schools aggregate this information and report the information to public health during the fall of each school year. The Wisconsin Department of Health Services does not have the ability to verify the accuracy of the information that was submitted by schools.

The data in this document display school immunization and waiver rates and should not be used to determine the percent of students who were in compliance with the law.
