**THE BEST WAY(S) TO COMMUNICATE WITH ME:
LA MEJOR MANERA DE COMUNICARSE CONMIGO:**

COMMUNICATION TIPS

When communicating with me, please:

- Get my attention first.
- Make eye contact when you speak.
- Repeat, rephrase, or write your request down if necessary.
- Be aware that:
 - Shining a flashlight in my face will make it difficult for me to understand you.
 - I may need to communicate through a certified sign language interpreter.
 - I may need to connect an assistive device to my hearing aid or cochlear implant to hear better.
 - A hearing aid or cochlear implant does NOT allow me to understand everything you say.

If I am going to be arrested or asked to come in for questioning, I may need:

- A Wisconsin-licensed sign language interpreter for the Deaf who holds a Special Certificate: Legal (SC:L).
- A communication access realtime translation (CART) for captioning conversations.
- For a phone call—a video phone, internet service, a computer, a captioned telephone, or a cell phone for texting.
