

# Opportunities to Increase YOUR LOCAL BUSINESS

**Home Modification**

**Therapeutic Services**

**Child Care**

Through a partnership between counties and the Wisconsin Department of Health Services, there may be opportunities to expand your business by offering your services to children with disabilities and their families.

## A niche market **THAT IS GROWING.**

- The number of children with disabilities being served through the children's state waiver program is projected to grow by 30% in 2018.
- Many families are looking for local businesses to provide services that help their children increase or maintain their daily capabilities at home, at school, or in the community.

## How to become an approved provider.

- First, register your business with the Department of Health Services.
- Once registered, you would work with local counties to complete the approval process and to obtain referrals.

## Registering is free.

To sign up or find out more information about how to become a provider, go to: [www.dhs.wi.gov/clts/providers.htm](http://www.dhs.wi.gov/clts/providers.htm).

## Consider becoming an approved provider.

Once approved, you would be listed in a searchable, public, online provider directory at no charge.
