

NATIONAL CORE INDICATORS

AGING AND DISABILITY SURVEY

You can help us!

The Wisconsin Department of Health Services (DHS) is surveying older adults and people with physical disabilities about their quality of life.

The survey will also help DHS learn how in-person surveys can be conducted remotely using phone and video conference technology.

QUESTIONS

We will ask about:

- Your health.
- Your safety.
- Your transportation.
- Your supports and services.
- People paid to help you.
- Where you live.
- The things you do in the community.

Answers are
confidential.

30-45 minutes
to complete.

Please call Hannah Huebner toll free at 800-801-4194:

- If your contact information has changed.
- If you need an interpreter.

Remote interviews
held between:

**November 2020
& January 2021**

WHAT TO EXPECT

1 Get a phone call

Vital Research, an independent research organization contracted with DHS, will conduct the survey.

An interviewer will call you to schedule a remote survey at a time and date of your choice.

The interviewer will let you know if you will use a phone or Zoom to connect.

2 Complete the interview

By phone: Tell the interviewer your preferred contact number and they will call you on the scheduled interview date to complete the interview.

On Zoom: Zoom is an online video conference platform. The interviewer will send you an appointment at your preferred email address to complete the interview online.

Guardians

Guardians and power of attorneys, please share this flyer with the person selected to take part in the survey.

Those getting this flyer in place of a guardian or power of attorney, please share this flyer with them.

You, your guardian, or your power of attorney may ask for your care staff to be there during the survey if you want to include them.

Questions for DHS

If you have questions for DHS about this survey or the National Core Indicators project, please contact by phone or email:
