

Family Planning Only Services Program

The Family Planning Only Services Program provides low to no-cost sexual and reproductive health care for people with limited income to reduce unplanned pregnancies.

Who is eligible?

You may be able to enroll if you meet all of the following:

- You live in Wisconsin.
- You are a U.S. citizen or have a qualifying immigration status.
- You are of childbearing or reproductive age.
- You have income at or below \$3,990.76 per month (effective February 1, 2025). Only your own income is counted. Your assets are not counted.
- You are not enrolled in Wisconsin Medicaid or BadgerCare Plus. (You can be enrolled in private health insurance while you are enrolled in the Family Planning Only Services Program.)

If you are eligible for the Family Planning Only Services Program, you will be enrolled for 12 months. Your coverage must be renewed yearly. About one month before your coverage ends, you will get a letter with information about the renewal process.

What services are covered?

Benefits include contraceptive services and supplies, tests and treatments for sexually transmitted diseases, and routine preventive services related to family planning.

Covered services must be related to a family planning office visit. For example, Pap tests are only covered when they are completed at a family planning office visit or with a referral from a family planning provider.

Services that may be covered when provided at an initial, yearly, or follow-up family planning-related office visit include:

- Contraceptive services and supplies, like birth control pills and condoms.
- Natural family planning supplies.
- Pap tests.
- Routine preventive primary services that are family planning-related.
- Tests and treatment for sexually transmitted diseases (like chlamydia, gonorrhea, herpes, and syphilis) and certain other lab tests.
- Voluntary sterilizations for those aged 21 or older.

Generally, you can start getting benefits the first of the month in which you apply and meet all program rules. You may also be able to get temporary coverage (also known as Express Enrollment) before your full application is complete and processed. Learn more at dhs.wisconsin.gov/forwardhealth/express-enrollment.htm and check with your provider for eligibility.

Getting Services

After you enroll in the Family Planning Only Services Program, you will get a ForwardHealth member card in the mail.

If you used to be enrolled in the Family Planning Only Services Program, BadgerCare Plus, or Medicaid, you will not automatically get a new ForwardHealth card. You can use your old card if you still have it. If needed, you can request a new card through your ACCESS account (log in at access.wi.gov) or call Member Services at 800-362-3002.

You will need to show your ForwardHealth card when you have a family planning-related appointment or pick up a prescription for contraceptive supplies at a pharmacy.

Protecting your privacy

If you apply for or enroll in the Family Planning Only Services Program, you can have information sent to an address other than your home address. If you are under 18:

- Your local agency will not contact your parents or other caretakers.
- You will not be referred to a child support agency.
