

SAY **YES**

to organ, tissue, and eye donation!

BE A HERO

One organ, tissue, and eye donor can save and heal more than 75 lives.

SHARE YOUR DECISION

Make your donation decision so your family doesn't have to make it for you.

SAVE YOUR NEIGHBOR

Nearly 2,000 Wisconsinites are waiting for a lifesaving transplant.

THE FACTS

- You're never too old to share the gifts of life, sight, or healing.
- Don't rule yourself out. Anyone with a Wisconsin ID or driver's license can register as a donor regardless of health history.
- All major religions view organ, tissue, and eye donation as a final act of love and generosity toward others.
- There is no financial cost to be a donor.
- Healthcare professionals will always work to save lives first. Your donation decision will not interfere with your medical care.

Keep your dot! Say **YES** every time you renew.
