*Due to changes to the Quality and Compliance Section data source, the Member-Centered Care Delivery measure is based on 2020-2021 data, while the Provider Choice and Timely Services and Grievance System measures are based on 2019-2020 data. Due to a company merger, My Choice Wisconsin (MCW) was not reviewed in 2020. Therefore, some of MCW's reported scorecard data comes from the 2018-2019 Quality and Compliance Review.

**Nurse Practitioners are also part of the Family Care Partnership member's care team, although their staff ratio is not included here.
