WATCH WHAT YOU TOUCH
Disinfect cart and basket handles
Sanitize or use disinfectant wipes to clean cart and basket handles before use.

WASH YOUR HANDS
Don't forget the soap
Wash your hands with soap for at least 20 seconds.

SHARING IS CARING
Be fair, please share
Stockpiling can mean someone may not be able to buy what they desperately need.

PERSONAL HYGIENE
Don't spread germs
Cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow. Don't forget to wash your hands afterward.

SOCIAL DISTANCING
Keep a personal radius
Staying at least six feet away from others, even in the checkout line, does not make you unfriendly, it makes you considerate.

ESSENTIAL OUTINGS
Wear a cloth face covering
You can be infected and not show any symptoms. Wearing a cloth face covering can lower the risk of community spread when physical distancing is difficult to maintain.
